

Proven results. *Built together.*

PROCUREMENT SERVICES

Leverage the unmatched
buying *power of an*
800,000-unit fleet.

It's not about
what you buy,
but *how you buy it.*

Corcentric understands
the strategic role
*procurement plays in
your business.*

With over 800,000 trucks in our network, we deliver the purchasing power, spend visibility, and control to optimize the life cycle of your fleet.

- Full-time supply management department: managing and leveraging \$800M+ in spend
- National pricing: terms and credit negotiated for you
- Purchase quantities: based on quantity of one, nationwide
- Simplified payables: PO and invoice automation and payment consolidation
- Spend visibility: spend reporting and analysis

A comprehensive range of equipment, parts, and supplies

By aggregating the purchasing power of more than 1,400 companies in our network, coupled with our deep supply management expertise in supplier selection, price negotiation, and contract management, Corcentric offers a comprehensive range of fleet equipment, parts, and supplies with programs from over 135 leading manufacturers.

And with a distribution network that includes thousands of dealers nationwide, you get nationwide volume pricing while continuing to buy from your local dealer.

Access to more than 100 leading manufacturers of fleet-related equipment, parts, and supplies:

More than your *typical* GPO

Our Fleet Procurement Services couples unmatched buying power with a fully electronic invoicing system that removes friction, confusion, and poor visibility from the purchasing process, so you can focus on managing your fleet for greater revenue growth—rather than solving labor-intensive purchasing problems.

Top reasons to join Corcentric:

01

Single-source solutions

One place to go for all of your transportation needs.

02

Flexible spend management options

You choose the services you need. There is no contract spend commitment.

03

Improved asset management

Customers can realize 15–20% cost savings with our assistance in replacing assets, reducing holding costs, operational savings, and remarketing efforts.

04

Knowledgeable, experienced team of employees

More than 20 years of experience with leverage fleet spend and fleet procurement.

05

Supply management savings

We have more than 100 programs available with the industry's leading suppliers and the leveraged buying power of a 700,000-unit fleet.

06

Back-office efficiencies

Procurement programs connected to an easy-to-use, automated billing platform remove invoice approval and payment headaches for fleet managers.

07

Supply management and spend analysis abilities

Because all transactions are electronic, you can track purchase history and view all transactions online.

08

Access knowledge to improve fleet operations

We host member meetings and learning sessions that let you connect with your peers.

Did you know?

The average 100-truck fleet saves up to **20% annually** by purchasing through our system.

Get *peace of mind*.
