

# Take Your Organization to New Heights

**CLARK COLLEGE**

EST. 1933

CORPORATE & CONTINUING EDUCATION

# Benefits

Increase Your Company's Competitive Advantage.

- **Comprehensive Training Needs Assessment**

Highly trained staff will work with you to identify potential skill gaps within your organization and identify effective training solutions to advance your workforce.

- **Customized Training**

A personalized training solution is specifically designed to achieve your business goals.

- **Enhance Productivity**

Ongoing measurement and evaluation of the effectiveness of our training programs ensure that our training solutions have a measurable impact on output and the bottom line.

- **Increase Employee Retention**

Professional development sends a clear message to employees that the company values them and is dedicated to maximizing their skills and talents.

- **Successful Recruiting**

Companies that support professional development and training are more attractive to highly qualified applicants.

# Our Value

Now more than ever, the value of your business will be determined by the skills and abilities of your employees.

Corporate & Continuing Education at Clark College provides high quality, business and professional development training to organizations. Our learning resources assist companies in enhancing the skills of their workers by elevating workplace performance ensuring the organization remains competitive in a global marketplace.

- **Quality**

Our instructors are industry experts and/or experienced college faculty who provide high quality training at a reasonable price.

- **Relevant**

Specific content is customized and aligned to your company's culture and strategic priorities. All instructional content is designed for adult learners.

- **Personalized**

Our corporate relations staff will work one-on-one with your company to develop a personalized training solution that supports your business goals.
