Proven Leadership In Public Education

A Lifetime of Experience in Education

ALAN COVERSTONE

www.CoverstoneForSchools.com

Public School Parent and Leader

Alan's leadership in Metro Nashville Public Schools (MNPS):

- Helped start the Hull-Jackson PTO and served as its first President
- Served on the Magnet Cluster Parents Group since 2004 and as the Co-Chair this year
- Joined the MNPS Parents Advisory Council in 2005
- Member of Mayor Purcell's Task Force on Predictable and Adequate Funding for Public Education in 2005

Middle and High School Teacher and Administrator

Alan Coverstone has devoted his life to education and brings a wealth of experiences to his unique perspective on educational policy and practice.

- Public high school graduate
- Wake Forest University, B.A. Speech Communication
- National Debate Coaches Association Board
- Master of Arts in Teaching, Curriculum, and Instruction
- Teacher, Montgomery Bell Academy, since 1995
- Academic Dean, Montgomery Bell Academy, since 2003

Achieving Excellence for our Nashville Public Schools

"I am running for the School Board because Nashville needs great public schools if it is to continue to be a great city. As a member of the School Board, I will focus on building trust among the public and private school communities; hiring and guiding the new Director; and ensuring the Board can respond and adapt to change while remaining focused on the children of our city. Thank you for your support and vote on August 7th."
