

*****Virginia State of Emergency*****

March 18, 2020

**Governor Northam has declared a state of emergency in the Commonwealth of Virginia
due to the rising number of coronavirus/COVID-19 infections.**

At Everly-Wheatley, nothing is more important than the health and well-being of our client families,
our employees and the community.

We are following the directives of the Centers for Disease Control and Prevention (CDC)
and the Virginia Department of Health by strictly adhering to the restrictions on
gatherings of no more than ten (10) people including off-site gatherings.

We are available and will continue to serve the community.

Arrangement conferences are limited to two (2) family members only and certain items can be handled over the telephone.

Please feel free to contact us with any questions as we work through this health emergency . . . together.
