

Cost of Hall coal from
Naverly 1 chest ton per mile
in return cars -

Reaching road between
Naverly 3/8 of one cent
per ton per mile -

July 11, 1865. Left Ithaca at
9 A.M. for Pa. to examine the
coal mines near Towanda Pa.
in company with Mr. Van Sledright
of Mr. Dickinson of Ithaca
+ J. R. Searcy of Ithaca

Reached Naverly 2 P.M. and
took train for Towanda
3 1/2 P.M. Called on Col
C. F. Wells Jr. at Athens - who
read two charters for
RR - one on canal from
Pittston to My line - the
other from canal to the
Sullivan Co. mines of coal
He said he & others owned
a coal tract of anthracite
coal 20 mi. south Towanda
12 feet thick - Best coal
in Pa. Wants sell in-
terest to enlist parties
to build RR to Pa. - so
as to make it an object
Wells + friends RR charter

holds the Keys to the
Isthmus R.R. + Coal
enterprises -

Reached Tawanda at
7:30 P.M. - Country
along route finer
for Agriculture than
I expected -

July 12. Left Tawanda for
the Barkley mines by rail
at 7:34 - Gauge of track 4' 8 1/2"
inch - Mr. Mallory Supt
Fall Creek Coal Co. on train
says Sullivan Co. Coal has
no distinctive character
no money can be made
by it - Opening of Barkley
1300 feet above Tawanda
625' above foot of plains to mine
West opening on Tan See 100 feet
higher -
