Women in North
Carolina Eat Snuff
or Rub Snuff as
they know it. They
use a stick about 6
inches long with the
end broomed up. This
they dip in the Snuff
box and rub it on
their teeth and chew
it. They say Come
give me a dip or
Take a dip or Snuff
or Take a rub &c
Some feel ashamed
of the practice and
take it privately others
take it in public

Cure for Consumption

Rub the body round
and round, from the
neck low down on the
body, for half an hour
morning and night
with the fat of bacon
cured in smoke.

Flannel must be
worn during the course
of the cure, and not
changed more than
once a month at the
soonest. The cure
occupies from four
to six months.
