To all Hq of State Police.

In accordance with the instructions and commands of the Chief of Security Police.

For Immediate Transmittal

In accordance with the order of the Chief of Security Police, issued tonight (Ziffer 5), I hereby report that the Concentration Camps at Dachau, Buchenwald and Sachsenhausen can hold 10,000 prisoners each.

In order to avoid overcrowding in any camp, I request that each transport (of prisoners) be reported in advance by TWX or telephone to Ref. II D at this office.

Only the data regarding time of transport departure, name of concentration camp and number of prisoners in each transport is to be submitted at first.

State Police Hq will control the designation of camps for an indefinite period.

Transfers to the concentration camps will be made as speedily as possible in order to clear jail-space for fresh arrivals.
