MEMORANDUM TO: BOARD OF REVIEW
FROM : COLONEL H. A. BRUNDAGE
SUBJECT : Trial Brief - Wilhelm Frick

1. Attached is the Trial Brief against Wilhelm Frick.
2. Insofar as available, translations or analysis sheets of the documents cited are attached in numerical order. Properly certified translations of all documents relied on in the Brief will be supplied, as soon as they can be obtained.
3. All allegations contained in the Indictment Appendix A (Frick) find support in the Brief, except for the charge, that the defendant was a General in the SS. There is no evidence available indicating his membership in either the SS or the SA, and he, himself, has denied it altogether. No photos showing him in SA or SS uniform are known. It is, therefore, suggested that that allegation be dropped.
