Dear Councillor Waibel,

On your last visit to Berlin I already advised you that the latest news received about Mr. Flinsch were negative throughout. It is repeatedly stated that Mr. Flinsch takes a negative attitude to all interests of national socialist Germany.

Since I know that Mr. Flinsch occupies a particularly important post in your firm, I did not want to omit informing you of the above in writing.

I request that you also advise the Central Finance administration of I.G. in Berlin of this. Mr. Flinsch, is, as you know, in charge of the Monopol SRL, Buenos Aires. In this connection I corresponded with the above-mentioned dept under the sign FS. HsHh 1/2215.

For simplicity I enclose a further copy.

With best regards and Heil Hitler!

Yours,

S.G. Christians

Antaleiter, (Office Director).
