2. HOUSE VISITS BY MEDICAL OFFICER: Because of the increasing number of personnel sick in quarters, it is requested that all personnel requiring medical attention at home will please notify the Dispensary at the Court House by 1200 A.M. 5. NURNBERG OPERA HOUSE: Tuesday, 13 Nov. at 1930 - "The Horn Blows at Midnight" with Jack Benny and Alexis Smith. Wednesday, 14 Nov. at 1900 - opera, "The Magic Flute".

6. FURTH OPERA HOUSE: Tuesday, 13 Nov. at 1930 - "Variety Parade", girls, dancing, acrobats. Wednesday, 14 Nov. at 1930 same show as above. Thursday, 15 November at 1900, movie "The Woman in the Window".

7. NIGHT MOTOR TRANSPORTATION: It is requested that arrangements be made with Lt. Siracusa, Extensions 61182 and 61755, as far in advance as possible, when it is anticipated that motor transportation will be required after midnight. At present one car is kept available from 2400 to 0700, but with the more exacting work schedules at this stage of the trial preparation more transportation facilities may be needed during those hours. This can be provided if there is sufficient advance notice of such requirements.

It is pointed out, however, that the requests for transportation facilities after curfew hours should be limited to transportation between work and billets. With the necessity of making fullest use of our limited transportation facilities, vehicles cannot be kept available after midnight for transportation in violation of curfew regulations, as each driver assigned to a midnight shift reduces the number of drivers available during regular office hours.
