Michael Daniels

Member/Client Services Relationship Consultant

P: (801) 486-0600

E: MichaelD1@NACVA.com

Michael Daniels joined NACVA® and the CTI® as a Member/Client Services Relationship Consultant in February of 2017. Michael talks with prospective and current members of NACVA regarding their desire and method of becoming a member. He is also responsible for assisting members in obtaining the required training to earn and keep their credentials up to date. He has been working professionally in sales since 2004. In addition to specializing in sales, he is also proficient in computer networking, telecommunications, and electronics. Michael earned his Master of Business Administration from Stevens-Henager College; a bachelor of science degree from Weber State University in telecommunications administration; and an associate of applied science in electronics engineering technology from ITT Technical Institute. Michael likes a great deal of diversity in his work assignments, finding such a challenge to be quite stimulating mentally, such as having worked as a training manager for Lifetime Products developing a training regime for seventy-five production employees. Michael is single and currently resides in Salt Lake City, Utah. He is quite talkative and a pleasure to be around. He loves working out at the local VASA gym to maintain a healthy body and spirit.
