INT. WORKPLACE

CHRIS talks to a coworker.

CHRIS

It's so tragic. They're such a good family and then to have all that...that...

Looks to coworker and decides to be honest...a little.

CHRIS (CONT'D)

One of Kenny's sisters was born without legs and another one has extra fingers. I could never handle that. But Kenny's family is wonderful with them - treats them all natural.

Coworker just listens.

CHRIS (CONT'D)

Kenny adores those girls takes them everywhere with him. The mayor calls them an "inspiration to the entire human race!"

Coworker nods.

CHRIS (CONT'D)

The one without the legs has these custom-made artificial legs that she hooks onto herself. They're amazing they're so lifelike the exact same color and texture as her own skin.

Interesting.

CHRIS (CONT'D)

The thing that really gets me about her though and I'm probably a little strange to notice it...is every day she's got on a fresh pair of socks.

Waits for shock and/or understanding.

CHRIS (CONT'D)

If you stop and think about it you realize there's no way those socks ever get dirty since she doesn't have feet that get them all sweated up!

(MORE)

CHRIS (CONT'D)

She's just a stickler for appearances and insists on fresh socks every day because fresh socks look better than wilted ones!

Coworker is trying to follow this.

CHRIS (CONT'D)

Well, when I look down and see those spanking white socks hugging those little plastic ankles of hers the cuffs folded just so...it brings tears to my eyes! That little girl really takes pride in how she...

Coworker waits.

CHRIS (CONT'D)

...though to be perfectly honest, she *does* give me the creeps a bit; I don't like being around her. But I have to, don't I? She's Kenny's little sister!...We all have to do things that are hard, put on a brave face. I just don't know if I have it in me.

Panicking a little.

CHRIS (CONT'D)

I can't even help a blind person cross the street! As soon as I see one coming with their tapping stick I try to disappear, hoping to God they can't really see me after all...It's a terrible failing! I wish I could change. "Please God make me more accepting!"

Changes gears again.

CHRIS (CONT'D)

All you need is the right attitude right? It's like Kenny's sister...she isn't born with legs, so she goes out and finds herself a pair! She doesn't lie around in some wagon or grocery cart waiting for someone to push her! She hauls herself over to the medical supply store and *gets* those legs with a nice little pair of feet to match!

One more thing.

CHRIS (CONT'D)

When you stop to think about it  
we're all hanging on for dear life!  
This one has no legs, that one has  
a bunch of extra fingers, I'm deaf  
in one ear, you have trouble  
listening... the whole thing is to  
keep going...
