EXT. THE WELL BEHIND JC'S HOUSE - DAY

JC waits for news from the only "fix it" man in town who emerges from her well.

MR. BOONE

Uh oh. Your well's dried up.

JC

Oh, good. I thought it was something serious. We can just fill it up. I've got a hose right around back.

MR. BOONE

Fill it up?

JC

What.

MR. BOONE

Fill it up? JC, you're out of water. You're out of water! The only way for you to have water is to tap into the county line.

JC

Look, we are almost out of money, Mr. Boone. I don't understand all of these technicalities. Just tell me one thing, okay? Is this going to be expensive?

MR. BOONE

Yep.

JC

Do you know approximately how much this is going to cost?

MR. BOONE

Nope.

JC

Right, well, just GUESS!

MR. BOONE

(nervous)

\$5-6,000 maybe more.

(CONT'D)

JC

Dollars???? Oh, well, that's just fine!
That's it!! I can't live here, okay????
I am not Paul Bunion, alright? I want to
go to Harvard. I am at the top of my
class, and for what?

MR. BOONE

Uh, uh, I don't know.

JC

To spend the rest of my life taking care
of goats?! I need people. I am a future
career woman. I am used to field trips
to museums and club meetings. Do you
know what I mean?

MR. BOONE

Nope.

JC

That's it! I have been "yepped" and
"noped" to death by you guys.
(looks at his outfit)
I've had it with wranglers and plaid.
Look at me. I'm going nuts! I didn't
know that wells could run dry!! I just
want to turn on the faucet to have water.
I don't want to know where it's coming
from!
