ronny: Can brains hurt?

lori: Yes, it's hypochondria hour.

ronny: No, I'm serious. Last night when I was reading my biology chapters I distinctly heard a ping in the vicinity of my brain.

lori: Your brain pinged?

ronny: Yeah. It just went like "dink."

lori: Well then, honey, your brain dinked. It didn't ping.

ronny: Well I don't think a dinking brain is any less worrisome than a pinging brain.

lori: Well, you got me there.

ronny: So should I go to a tumor doctor?

lori: No, you don't have a tumor. You're reading too much. You're probably just losing your eyesight.

ronny: Thank you.

lori: You're welcome.
