INT. HOSPITAL ER CURTAIN AREA - DAY

The previous evening, Abby had to call the police because Joyce and her husband were fighting so violently, she was sure that Joyce was being beaten. Today, she finds Joyce at the ER.

JOYCE

Sorry. I know we argue a lot.

ABBY

You were screaming for help.

JOYCE

I know.

ABBY

I called help.

JOYCE

Brian and I have been together since high school, and there's a lot of history, a lot of passion...

ABBY

Passion?

JOYCE

Anyway...sorry we bothered you.

ABBY

Is it your ankle?

JOYCE

I'm okay.

ABBY

Do you want me to get my dad to take a look at it?

JOYCE

Is it broken?

ABBY

I don't know, he'll have to check it out.

JOYCE

Am I going to have to get crutches?

ABBY

Maybe. You're definitely going to need some help getting around for a few days. How are you getting home?

JOYCE

I called Brian.

Abby gives her a look.

JOYCE (CONT'D)

It's not all him, you know. I give as good as I get.

ABBY

Well, I don't see him sitting in an ER needing X-Rays.

JOYCE

It's not like it seems.

ABBY

Our walls are pretty thin, Joyce.

JOYCE

Brian is the only guy I've ever loved.

ABBY

Will you talk to someone? Someone with experience who could help you maybe lay out some ways that you might want to deal with this? Joyce, I think you came here for a reason. Let them help you.

JOYCE

Yeah, I came here because I don't want to have to answer a lot of questions.
