INT. HOSPITAL BREAK ROOM

Rach sits waiting for the inevitable.

DR GREEN  
How well do you know Andrew?

RACH  
What's that supposed to mean?

DR GREEN  
Does he do drugs?

RACH  
I don't think so.

DR GREEN  
Are you sure?

He hands over a paper.

RACH  
What's this?

DR GREEN  
His tox screen. He tested positive for marijuana.

RACH  
Aren't you supposed to keep that confidential?

DR GREEN  
Were you smoking with him?

RACH  
No.

DR GREEN  
Have you ever smoked with him?

RACH  
I wouldn't do that.

DR GREEN  
Good. Then you'll test negative.

He sets out an empty sample cup.

RACH  
Are you serious? You don't trust me.

DR GREEN  
I trusted you to go home after school.

RACH

Dad, he was going to drop me off and then he wanted to stop.

DR GREEN

We agreed "no rides".

RACH

I missed the bus.

DR GREEN

You should've called me.

RACH

I didn't want to bother you.

DR GREEN

Sure didn't work out that way.

RACH

You want me to pee in a cup?

DR GREEN

Yep. (beat) I know you're upset. But I have to do this because I want you to be safe. I care more about that than you being angry with me. I want to be able to trust you. It's something we both have to work at. Okay?

RACH

Can I go now?
