Robby has a headache and is finally pushed to do something about it.

ROBBY
Can brains hurt?

LORI
Yes, it's hypochondria hour.

ROBBY
No, I'm serious. Last night when I was reading my biology chapters, I distinctly heard a ping in the vicinity of my brain.

LORI
Your brain pinged?

ROBBY
Yeah. It just went like "dink".

LORI
Well then, honey, your brain dinked. It didn't ping.

ROBBY
Well I don't think a dinking brain is any less worrisome than a pinging brain.

LORI
Well you got me there.

ROBBY
So should I go to a tumor doctor?

LORI
No, you don't have a tumor. You're reading too much. You're probably just losing your eyesight.

ROBBY
Thank you.

LORI
You're welcome.
