

INT. FRATELLI BASEMENT – EVENING

Chunk tied up to a chair. The Fratelli brothers and momma threaten him.

MAMA

Now, tell me where your little friends are!

CHUNK

In the fireplace!

MAMA

Don't lie to me, boy!

CHUNK

Honest...we got this map from Mikey's dad.
It said that underneath this place there's
buried treasure.

MAMA

We want the truth! Spill your guts! Tell
Us everything! EVERYTHING!!

CHUNK

Okay! ...in the first grade, I cheated
on my history exam. In the second grade I stole
my uncle's toupee and glued it on my face
as a beard. In third grade, I pushed my brother
down the stairs and blamed the dog...but the worst
...absolute worst thing I ever done...I mixed up
this fake puke at home, I went into this movie
theater...hid the puke in my jacket...climbed into
the balcony and...and...I made a sound like this

(makes a vomiting sound)

Then I dumped it over the side...on all the people
in the audience...then...then the people started
getting sick..throwin' up all over each other

(bursts into tears)

It was horrible!!! I never felt so bad in all my life...
