ROSA

So what do you do for a living,
Rob?

ROB

I'm a landscape architect.

ROSA

So you're a gardener?

ROB

No, a landscape architect. It's
different. I design outdoor
environments.

ROSA

I understand. You're a gardener.

ROB

You know, never mind. You have a
really beautiful home.

ROSA

Let me get to the point. Is this
serious between you and my
daughter?

ROB

Yeah, it actually is.

ROSA

Rob, I was only able to have one
child, my darling Marie. Do you
know what that means?

ROB

It means she's very special to you,
and you want her to be with a guy
who really loves her.

ROSA

No. It means she is almost 30. I
should be on my fourth grandchild
by now. My sister has 12 beautiful
grandchildren and each one of them
is a dagger in my heart. At this
point, I think she's having them to
humiliate me.

ROB

That's probably not her intention.

ROSA
If I were her, I would probably do
the same thing.

ROB
Well, I do really love your
daughter.

ROSA
Mm hmm.

ROB
And I am fertile, so far as I can
tell by non-scientific means.

She looks him over.

ROSA
Maybe. You don't look it. Eat
lots of cashews. They're good for
your sperm.
