

ALEX

Hello, Bob.

BOB

Alex, you scared the hell out of me!

Goes for his pistol.

ALEX

Don't don't don't. I'll put three bullets in you before you get your hands on that pistol. Reach for it with just your thumb and forefinger - 2 fingers only. Lift it out of your pocket. If I see any other fingers uncurl, bob, I'm gonna shoot you. Go on, two fingers.

He hands it over.

ALEX (CONT'D)

So...you got run money and fake passports?

BOB

Pretty much. How did you know about this place?

ALEX

Maybe three years ago, ran into rick Hoggs down at the diner. We were shooting the shit and he told me he sold you his fishing boat. You know it was one of those moments when you reflect on your life cause you know...I had always loved fishing, but I never could afford a boat like this - not on a sheriff's salary. So I found myself wondering. Why was I the only guy not benefitting from all of the money floating around in this town?

BOB

Coming with me?

ALEX

Nah. That's not how this is going to go down.

BOB

Thought you were gonna let me leave town.

Alex is not.

BOB (CONT'D)

Look, the moment I step off this dock, I'm a new person with a new home and I have no reason ever, ever to say anything to anybody about my former life - especially about that wacko Norma and her kid.

ALEX

The truth is, you're not reliable. You can change your name, but you can't change who you are.

BOB

I guess none of us can change who we are. We can pretend to be someone else, who is doing things for the right reason.

ALEX

Whatever the words are coming out of your mouth, Bob, you still killed those two girls.

BOB

Tell yourself whatever you need to, Alex. We both know why you are doing this and it isn't about those girls. You know, right now, you are more like your dad than you ever have been. This is about you and what you want. How does that feel? To have spent your whole life trying to get away from someone you hate? Only to turn into them?

Alex empties his gun into bob!
