To Whom It May Concern:

I am writing this reference letter on behalf of Kathy Robinson of Schoolware, Inc. The Choctaw Nation Interlocal Cooperative has worked with Kathy for the past two years. The Interlocal is a school that is a computer based curriculum program and she has been a great asset to us in the area of technology. Ms. Robinson provided the technical support needed for our school to open in August 2004. In the two years since we opened she has assisted us in updating our software, created programs for our reports and has been a software consultant that we depend on tremendously.

We are looking forward to working with Kathy Robinson this school year and I highly recommend Schoolware, Inc to any program or company who is considering their expertise.

If you have any questions please feel free to contact me.

Sincerely,

A handwritten signature in cursive script that reads "Shari Williams".
