

Fabio Saiu

Personal Data Date and place of birth: 09/09/1980, Cagliari (Italy)
Nationality: Italian
Address: Via Ventiquattro Maggio, 58 - 20030, Lentate sul Seveso (Italy)
Phones: +39 3471461223 (mobile) ; +39 03621791598 (home)
E-mail: fabio.saiu@tiscali.it Web: <http://saiudesign.blogspot.com>

Education March 2007: **Degree in Communication Design** at the "Politecnico di Milano",
I'm specialised in the executive planning of communication means, making use of the main IT tools utilised in the methodology of graphic project representation.
I'm employed by companies or establishments that are mainly oriented towards company communication or in the multimedia and traditional publishing markets, in advertising and communications agencies, consulting firms in the IT sector (Grade:93/110).

June 2005: **Mondadori Workshop** at the "Politecnico di Milano",
with a project about Book Design for a book series. Covers now give detailed hints about the style, genre and subject of the book, while many push design to its limit in the hope of attracting sales attention. (Grade:28/30).

Dicember 2003: **Normative of Communication Design Certified**
I'm able to characterize the technical normative of Communication Design, that to improve the quality of works.

July 1999: **High School Diploma** at "Istituto Tecnico Commerciale e per Geometri - Enrico Mattei" in Decimomannu (Italy), major in Maths, Physics, Chemistry and Architectonic Design, with final mark of 88/100.

Professional Experiences March 2007 – present: **Art Director Junior** for ALP Alumni Association of Politecnico.
I work on a concept for commercials, print advertisements, and any other advertising medium. I'm mostly responsible for the visual look and feel of the creative product, and responsibility for the product's verbal and textual content.

April 2001 - August 2006: **System Administrator** for Eurone s.r.l. (Milano)
I'm usually charged with installing, supporting, and maintaining servers or other computer systems, and planning for and responding to service outages and other problems. Other duties may include project management for systems-related projects, supervising or training computer operators, and being the equivalent of a handyman for computer problems beyond the knowledge of technical support staff.

Computer Knowledge Operation Sistem: Mac OSX: good; Microsoft Dos e Windows: very good.
Network and Server Management on Windows platform.
Office application: Microsoft Office, Project, Visio, Works: good.
Elettronic mail management with Microsoft Outlook, Outlook Express, Lotus Notes e Mail: good.
