

## LINA MOYSIS

**e:** lina.moysis@gmail.com **t:** 413.374.1659

### OBJECTIVE

I believe that I would be an asset to any project from concept to execution because of my eye for detail oriented, bold design that utilizes color, typography, concept and layout. Although I am confident in my ability as a designer, I am flexible to suit my client's tastes and I am always willing to learn more through experience in a studio environment.

### EDUCATION

Massachusetts College of Art and Design BFA Graphic Design 2008

### PORTFOLIO

Available on request

### PROGRAMS AND SKILLS

Photoshop Illustrator InDesign AfterEffects

Flash (basic ActionScript) Microsoft Office Mac and IBM Platforms

## DESIGN AND FREELANCE WORK

### LINA MOYSIS DESIGN

Proprietor/Designer Philadelphia PA

**Overview:** As a designer, my work includes a wide range of print applications including identity, packaging, editorial design, exhibitions, and advertising. I am currently designing for Untouched, an independent film written and produced by Plymouth Rock Studios in Boston and cd package design for Victory Records in New York City.

### LARGER THAN LIFE (LTL) PRINTS

Freelance Graphic Designer Philadelphia PA 7/08–9/08

**Overview:** LTL Prints is a web start-up company located in Philadelphia that specializes in oversized inkjet sticker prints with clients such as hip hop artist 50 Cent. They are currently attempting to expand their clientele to include young adults interested in purchasing and/or creating graphics for wall space. As a freelance designer, I helped create web graphics for their beta site as well as graphics to promote LTL Prints.

### MASSACHUSETTS COLLEGE OF ART AND DESIGN

Office of Special Events Assistant Boston MA 9/05–6/08

**Overview:** The Office of Special Events is responsible for the creation and development of most, if not all, of MassArt's events including the Annual Benefit Auction and events pertinent to alumni. As an assistant, I helped create layouts and graphics for invitations and newsletters as well as advertisements for clients.

### FIREMAN CREATIVE INC.

Graphic Designer/Intern Pittsburgh PA 6/07–8/07

**Overview:** Fireman Creative is a multi-dimensional firm specializing in collateral, web design, marketing, identity and packaging for clients such as Lake Raystown Resort, Seven Springs Ski Resort, Post Secret and Red Bull. As an intern, I created layouts and graphics for advertisements, van wraps, collateral, and other print applications as well as taking part in the pre and post production procedures.
