

Experience

Lewis Color Lithographers

Creative / Digital Press Operator
November 2007 to Present

Directs and coordinates preparation of graphic material. Collaborates closely with internal company contacts. Understanding of bindery processes. Strong knowledge of reproduction and the printing process. Understands the needs of the client after the initial consultation and presents an interpreted design solution promptly that conveys the client's intended meaning, mood, emphasis, insight, and viewpoint. Designs and prints a wide range of graphic material in a cost-efficient manner (magazines, brochures, handbooks, posters, etc.) Has experience providing guidance on graphic technology keeping the creative department up-to-date.

Serenity Day Spa and Salon

Director of Marketing / Salon Manager
March 2007 to November 2007

Organized events the salon would attend. Directed and organized weekly company meetings. Serves as a liaison to other professionals as a representative of the salon. Tended to unsatisfied guests, and assisted Owner to create solutions to please unhappy guests. Responsible for reviewing and approving graphic material to be printed by specified vendor. Maintained and updated computers and phone systems regularly. Created a marketing plan coinciding with product launches and products of the month for a full calendar year. Constant customer focus.

Insty-Prints of Hilton Head

Graphic Designer / Prepress Tech
June 2005 to March 2007

Sought design projects from concept to execution. Worked closely with all colleagues and the majority of our customers. Responsible for accurate plates for press and responsible for digital press production work. Experience with direct to plate processes.

The Chank Company

Intern
December 2004

Assisted Chank Diesel with photo editing and creating ligatures for various typefaces.
