| 1185.0<br>0 | Discovering Everyday Spirituality – The Story    | The stories of our lives do more than remind us of events and people. Our stories speak of turning points, moments of God's presence, traces of grace and very often dark nights of the soul. These two episodes look at many forms of storytelling and help us appreciate how the very act of telling a story is a connection with the spirit. |  | Opening the Bible                      | explaining why the pages look the way they do, and how to compare translations. Above all, he teaches the importance of approaching the Bible as a book with a long history, complex traditions, and diverse authorship that must be read on its own terms.   |       |
|  | Volume 3<br>Engaging the Word          | Michael Johnston teaches us how to use the critical and practical tools for reading the Bible introduced by Ferlo to interpret the Hebrew and Christian scriptures. Johnston describes the key terms and concepts of biblical study that help us read scripture on three levels: the literal, historical, and prophetic. Above all, the purpose of <i>Engaging the Word</i> is to teach us how we can read and interpret the Bible intelligently and perceptively.  | Adult |
|  | Volume 4<br>The Practice of Prayer     | In this down-to-earth book on the essentials of prayer, Margaret Guenther answers many of the most common questions about prayer and the spiritual life. She also discusses basic matters of Christian practice, such as making a confession, going on retreat, using a journal to pray, finding a spiritual director, and praying when God does not seem to listen.  | Adult |
|  | Volume 5<br>Living with History        | Fredrica Harris Thompsett helps us understand how our knowledge of the past shapes the Episcopal Church as we know it today. Rather than offering a chronological account of Anglican history, Thompsett focuses on the historical task itself. She uses events like the Elizabethan Settlement and the American Civil War to show how we as a church uncover and interpret the memories and events of the past in ways that inform our identity and mission today. | Adult |
|  | Volume 6<br>Early Christian Traditions | Rebecca Lyman introduces us to the world of the early church. Beginning with the Jewish, Greek and Roman cultures in which the first followers of Jesus lived and worshiped, she traces the   | Adult |

Lyman offers perceptive insights into the early church's intense conflicts that reveal the often thin line between orthodoxy and heresy, between true and false teachers, and among the many competing versions of Christianity.  |                            |
|  | Volume 7<br>Opening the Prayer Book<br>(9 copies) | Jeffrey Lee introduces us to the history and liturgy of The Book of Common Prayer, from the development of patterns of liturgy in the time of Jesus to the Reformation and the revisions of the American prayer book. Lee offers a survey of the pages of the prayer book itself, with a view to understanding how the services are rooted in the historical prayers of the church and reflect the living tradition of Christians today.              | Adult<br>Venture<br>Series |
|  | Volume 8<br>Mysteries of Faith                    | Mark McIntosh's volume on theology introduces the great mysteries of the Christian faith: the doctrines of creation, revelation, incarnation, salvation, and eschatology, which are all held together by the doctrine of the Trinity. To explain these beliefs for Christians today, he draws on our common experiences as members of a community of faith, helping us to explore the mysteries of our faith in our own lives.                        | Adult                      |
|  | Volume 9<br>Ethics After Easter                   | In developing a distinctively Anglican approach to ethics, with its emphasis on holiness, sanctification, and the need for spiritual disciplines, Stephen Holmgren identifies clear axioms for Anglican moral theology. He also discusses the role of conscience and reason, the work of moral discernment, the difference between moral knowledge and saving knowledge, the meaning of natural law, and the high value Anglicans place on consensus. | Adult                      |
|  | Volume 10<br>Christian Social Witness             | Harold T. Lewis offers a survey of the social teachings of Anglicanism and the Episcopal Church. He begins with the   | Adult                      |

Later chapters address the challenges of liberation theology, third world debt and economic justice, and questions of race, gender, and sexuality.   |       |
|  | Volume 11<br>Horizons of Mission            | Titus Presler offers a fresh vision of mission in the multicultural environment of a global community, exploring how gospel understandings are being reshaped by Christians in Africa, Asia, and Latin America, Christianity's new centers of gravity. He examines the scriptural basis of mission, historical and contemporary Anglican approaches to mission, the encounter with other religions, and the interaction of gospel and culture.                     | Adult |
|  | Volume 12<br>A Theology of Worship          | In this exploration of the foundations of Anglican worship, Louis Weil invites the laity to claim their true baptismal role and serve alongside the ordained as ministers and celebrants of the liturgy. He explains why it is necessary to reclaim it today in the midst of Anglicanism's increasing multiculturalism. Weil challenges us to engage new forms of culture, music, liturgical prayers, and dance in order to renew Anglicanism for the new century. | Adult |
