Job's Trials

what is it?

Imagine the living Bible. Imagine the hot air of the temple or the stunned silence at Goliath falling to a child with a stone. Imagine how Job thought, acted, succeeded and tumbled through his trials. What would you have done?

The Program Group on Youth & Young Adult Ministry invites you to explore the story of Job in a four week series of discussions led by Bishops Jon Bruno, Diane Jardine Bruce and Mary Glasspool this Lent.

Together, young adults (21-39 years of age -- clergy or lay) will eat, learn and reflect on our Bishops' teachings and become well 'versed.'

Cost: \$40 for the series.

Location: Cathedral Center 840 Echo Park Ave. Los Angeles CA 90026.

Join us from 7:30pm - 9:30pm on Tuesday evenings. Dinner provided.
