Mission of the Church of the Nativity

God's family at the historic Church of the Nativity is joyfully and energetically committed to sharing Christ's love and healing by proclaiming the Good News of the Gospel through worship and service to the world.

Making Your Pledge to the Nativity Lodge at Bethany Village

I hope that all Nativity families have been praying about making a pledge to build the Nativity Lodge at Bethany Village. Thanks to those parishioners who have already pledged and helped move us close to the halfway mark toward our goal of \$400,000!

Faith is not simply about belief in God. Faith is allowing our lives and actions to be guided by a larger vision. We are blessed with the opportunity to take part in something bigger than our parish church as a part of the vibrant Diocese of Alabama. Bethany's vision provides a special place for Jesus' friends to gather, generation after generation. We too, have an opportunity to show extravagant love for our Lord through Bethany Village, just as Mary poured out her love for Jesus at her home in Bethany.

Please pray about this mission and consider your personal impact on Bethany Village. You are invited to participate in a dream that will impact individuals with special needs, children in our diocese, schoolchildren throughout Alabama, Alabama Folk School participants, and the future job opportunities for people living with physical and mental disabilities. All gifts, large and small, will help to make the Bethany Village dream become a reality.

The Church of the Nativity is founded in the idea of bold dreams and faith in God to provide for our needs. Our own parish began its life in 1842 with less than fifty members. They stepped out in faith and built a church with space for 500 of us to worship in Sunday after Sunday, year after year. Our heritage is one of bold generosity and belief in a larger plan that God calls us toward. Bethany Village is that bold and generous vision now before us.

If you have not yet pledged, please pray about your pledge and send in your pledge card. *Pledges may be made over a 5 year period.* May our actions reveal our faith!

Ordination of our new Associate Rector, The Rev. Bonnie Mixon McCrickard, at Christ Church Cathedral, Nashville on June 7. Congratulations and welcome, Bonnie (and Matthew)! Andy +

Dinner & Movie at 6:00: *The Way* (bring a ready to eat dish to share for supper; eat while watching the movie).

The Way, is a 2010 American drama directed, produced and written by Emilio Estevez, starring his father Martin Sheen, Deborah Kara Unger, James Nesbitt, Yorick van Wageningen, and Estevez. It honors the Camino de Santiago and promotes the traditional pilgrimage. Interesting and stimulating discussion always follows the viewing of the movie.

Reservations are not required. Call Brenda Chynoweth if you have a question.

The Greene Street Market Store needs YOU!

Can you work in the store for 4 hours a week - or 4 hours every other week, or every third week? **It is FUN!**

We need volunteers who want to work in the GSM Store for 4 hour shifts. If you get a friend or two together, you can work together and get to visit (and work) or you can share the load and work every other or every third week.

You will be trained on how to use the computer for sales and get to see all the wonderful folks who come into the store.

Dear Friends in Christ.

Thank you very much for your generous support for Bethany Village. Nativity has been generous and supportive of Camp McDowell and the Diocese of Alabama for many years, so it's right and wonderful for you to take a leadership role as this ambitious dream comes true.

Congratulations on your commitment to build one of the lodges; I'll look forward to seeing you there!

God's Peace.

Stewardship of Creation tip

Help promote healthy waters by living a water-friendly lifestyle. some everyday actions you can take:

1. Consider the land-water connection:

What we do on land directly affects the bodies of water around us. Runoff from lawns, farms, streets, parking lots and construction sites is a major source of water pollution. The silt, nitrogen, and phosphorous rob our waters of light and oxygen and are harming the quality of our water.

Help control run-off by taking the following actions:

If you live on the water (or have a second home on the water) plant a buffer zone of trees, tall grasses and shrubs to filter runoff.

Use less fertilizer! Instead, mulch grass clippings to enrich your lawn and create a compost pile that will provide natural nutrients for your garden.

Wash your car on the grass, not the driveway so that harmful chemicals will be filtered by grass and soil before they reach local waterways.

Plant trees. They are nature's best filters.

2. Remember: everything flows downstream.

Our rivers and, eventually, the oceans are downstream of everything! (Think: these are the sources of the water we drink, bathe in, cook with, baptize our children with, swim in at the beach.) These bodies of water don't have an endless capacity to absorb waste. In fact, every year people improperly dispose of 161 million gallons of used motor-oil—an amount greater than the Exxon Valdez oil spill. Much of this oil ends up in waterways and oceans.

Here are some things to consider:

If you decrease your water use at home, you'll decrease the amount of water that must be treated with chemicals.

Don't use the toilet as a trashcan or garbage disposal. Doing so contributes to overloaded sewer and septic systems.

Sweep walks and driveways rather than hosing them down. Water picks up chemicals and transports them to the nearest storm drain, creek or waterway.

3.Recreate – but not recklessly

This is the time of year when many of us spend a lot of time on – and under- the water - - swimming, boating, fishing, diving, and enjoying the beach. How you engage in these activities determines whether your impact is negative or positive.

Retrieve all fishing line, lures, or gear – even if tangled or broken. Fishing gear can entangle or injure fish and other water creatures, - even swimmers and divers!

Drive your boat as though life depended on it. Be aware that there is life under water! Damaging wake can tear up plants and erode shoreline, and at the ocean, boats' slashing propellers injure countless sea turtles, dolphins, manatees, and whales every year.

When you haul your boat out of any waterway, rinse your boat on the spot to remove hitchhiking plants and organisms. By doing so, you can prevent the spread of harmful invasive species.

On trips to the beach or to the river or lake, carry out whatever you carry in. Wildlife can ingest, or become entangled in, trash left behind.

Be informed, be inspired and take these everyday actions to promote healthy, clean water for all of us.

Don't forget - The Greene Street Market Store is open on Sundays following both services (9:00-11:30). Come by and pick up your local veggies or lunch or just come visit!

NATIVITY OUTREACH

Nativity Parishioner, Dr. Kathleen Felker, prepares to deliver Diapers and Baby Wipes to DHR for infants and toddlers. Many times, these children, who must be removed from their homes, arrive with nothing but the diaper they are wearing. Your Vestry approved the use of \$500 from the Diocesan Trust Fund, and the Outreach Committee added \$100 to purchase two boxes of wipes and two of each size of diapers. This will be a tremendous help to the Foster Parents who may wait several days for funding from DHR.

A wheelchair ramp was built recently for 305 8th Street, a non-profit home for mentally challenged individuals who score high enough on IQ tests to receive no government aid, but are not able to take care of themselves without assistance. This ramp will allow easier access in and out for the residents who live there. Thanks, Nativity volunteers!

NATIVITY LODGE AT BETHANY VILLAGE

To date we have \$144,850.00 pledged towards the Nativity Lodge. Here are some facts about the lodge:

- 1. \$400,000 is needed to build Nativity lodge with 11 guest rooms, kitchen, great room, fireplace, three porches, and a powder room.
- 2. Nativity Lodge will accommodate up to 44 guests with easy accessibility to all rooms and two handicapped designated rooms.

Church Periodical Club (CPC) Sunday to be July 6, 2014
