A Conversation at the Well

*Waters that are living
do not stay contained
in stony wells of our
own making:*

*But rather are far
flung by Spirit and
seep deep in Truth to
parched places and
unquenchable thirst.*

Judith A. Rineck, S.N.J.M.

March 7, 2015 10:00 a.m. to 4:00 p.m.

(lunch included)
