### More Than a Soup Kitchen

St. John's is one of 13 member churches who make up the Committee on Church Cooperation (CCC), an organization formed in the 70's to build cooperative efforts among the churches of Morgan County in providing support and assistance to persons in need, in the name of our Lord, Jesus Christ. The CCC is located at 119 1st Avenue NE in Decatur. In addition to financial support and bags of groceries, each church provides volunteer hours to assist the CCC staff in maintaining a food pantry, a clothes closet, shelves upon shelves of linens and housewares.

Likely the most visible part of our interaction with the CCC is our quarterly participation in its Soup Kitchen which operates Monday and Thursday from 11:00 a.m. to 1:00 p.m.. Once every three months, St. John's assumes responsibility for procuring, providing, preparing, and serving a hot mid-day meal to some 200 to 250 clients.

On a sunny Thursday in February, a team of 20-plus St. John parishioners dished up Santa Fe soup, tossed salad, bread, drinks, and dessert. In truth, however, the biggest hit that day was a side dish of well-seasoned stewed cabbage, a last minute addition from an anonymous donor.

The preparation for the meal began the day before when four cooks gathered in St. John's kitchen to get the soup started. Thursday morning, four or five more

folks joined in at the CCC for chopping salad vegetables, plating desserts, setting tables, and opening lots and lots of cans of beans, corn, and tomatoes.

As the early workers were finishing up their tasks, eight or ten more volunteers signed in, donned the health-department-required gloves and stood ready to serve when the doors opened to our guests at 11:00 a.m. sharp. For two hours, plates were filled, drinks poured, desserts replenished, tables wiped and reset, greetings extended, and assistance provided. God's people were fed—including the cooks, clerks, and servers. True to the Episcopalian style, St. John's in particular, there was also much fun and fellowship along the way.

If you'd like to be part of the action—even if you only have an hour to share—send me your e-mail address and you will receive my "Save the Date" alert before our next lunch date. You can let me know at that time if and when you are available, and I'll plug you in to the schedule. If you're not available that day, no problem. You'll hear from me again at the next quarterly opportunity.

Peace and love,  
Kathy Slaton

### What is Outreach?

At St. John's, we believe that God is calling us to make a difference in the world. Every time we pray the Lord's Prayer, we restate our commitment to helping God's reign be established "on earth as it is in heaven." Outreach is a word we use to summarize everything we do to help God's kingdom become a reality here on earth. It is food for the hungry. It is clean water for the thirsty. It is clothing for the naked. It is shelter for the homeless. It is freedom for the oppressed. It is dignity for the downtrodden. In other words, outreach is everything that Jesus is calling us to do.

Outreach is more than just a buzzword; it is a way of being Christian. Outreach is more than a collection of service projects; it is an orientation to the world. Jesus told his followers to go out and make disciples of all nations (Matt. 28:19-20), and we believe that he was speaking to us as well. Everything we do as a church is about transforming lives. "In-reach" is how we take care of those who call St. John's their church home. "Out-reach" is how we take care of everyone else. Ultimately, however, we believe that there should be no distinction between the two.

### Banks-Caddell Elementary School

#### *Backpacks for Food Program*

Many of the B-C families qualify for free and reduced meals. Even with that support, some families still struggle with providing enough food for their families either consistently or during certain part of the month. This program allows students to have additional food over the weekends during the school year. St. John's provides food bags for about 30 students. *You can volunteer to be a shopper, packer, or deliverer.* **St. John's Liaison is Suzanne Thompson** ([laurasuzannethompson@gmail.com](mailto:laurasuzannethompson@gmail.com))

## **Banks-Caddell Elementary School**

### *Homework Helpers Program*

This after-school program runs Monday-Thursday from 2:30-4:30 p.m. beginning mid-October through April. It serves students in the 2nd through 5th grades who for a variety of reasons need assistance completing their homework. *Our goal for this program is to have 6-8 volunteers each day of the program to assist the students with reading, spelling and math homework. You may work one day each week or volunteer to be a substitute for the regular tutors.* **St. John's Liaison is Kevin Malcolm ([dive4dlr@aol.com](mailto:dive4dlr@aol.com))**

## Partnerships & Opportunities to Serve

### Parents & Children Together (PACT)

#### *A Hand Up*

This program is designed to help meet needs of families when they are at a critical point in their life. It will provide case management services to perform a thorough assessment of the family situation and establish goals to help families begin to develop skills that promote self-sufficiency. St. John's has a wonderful opportunity for great involvement with this program.

*Volunteers for PACT can work on a regular or part-time basis. They can be trained and have the opportunity to work as case managers/intake workers and be directly involved with families. St. John's Liaison is Cassandra Moore ([moorec6@gmail.com](mailto:moorec6@gmail.com)).*

### Princess Theatre

#### *Arts Education Program*

An arts education program is an essential component of a student's education. These programs help schools meet the requirements of the Alabama Course of Study for Arts Education. Studies have shown that arts education in schools provides greater motivation to learn in all subjects; increases attendance rates for students and teachers; raises test scores including standardized achievement tests; engages students more fully in the learning process; gives teachers a sense of renewal and challenge, especially when the arts are integrated with other subjects; and develops higher order thinking and problem solving skills. **St. John's Liaison is Harry Moore ([hmoore944@aol.com](mailto:hmoore944@aol.com))**

### St. John's Beans & Rice Ministry

The Beans and Rice Outreach Program started in 2015 as a service project for Vacation Bible School. The first offering saw 33 pounds of beans and rice being shared with any that came. That number has grown to over 300 pounds of beans and rice and serving upwards of 54 families. Our parish fills quart-sized bags and offers these packages on the fourth Thursday of each month. This is an easy project for any age. **St. John's Liaison is Sally Marsh ([sally@stjohnsdecatur.org](mailto:sally@stjohnsdecatur.org))**

### St. John's Community Garden

The garden provides vegetables, herbs and fruit for many local organizations such as the Free Clinic, PACT, Banks-Caddell School children and teachers but more than that, it provides gardening and learning opportunities for children as well as adults. *We need volunteers to water, weed and harvest.* **St. John's Liaison is Carol Hancock ([clch11@icloud.com](mailto:clch11@icloud.com))**

**Please consider volunteering for one or more of these opportunities. Contact Seth Olson at [seth@stjohnsdecatur.org](mailto:seth@stjohnsdecatur.org) or 256-353-9615.**
