SUMMER CAMP

Summer Camp 2008

Exploring, learning and summer Fun! Our Summer Camp is designed to keep bodies busy and minds moving while providing a safe, loving environment where little ones feel free to explore, learn, and, most importantly, PLAY. All of our camp sessions will provide the structure and security children enjoy during the school year, but with loads of new and exciting activities designed for summer fun.

About Our Camps

We will have 2-week themed sessions which will include a wide variety of experiences that expand children's love of the outdoors, art, drama, and literature. Each age group will have special programs, designed to encourage exploring, making friends, and learning new skills. Families can enroll their children for each session, or may choose to enroll for ½ sessions, if that better meets summer schedules.

There will not be an activity fee unless the class plans a field trip. Parents will be informed of the cost of this trip on the first day of the session. Activity fees would not exceed \$10.00.

Policies

The general policies for the operation of summer camp follow the guidelines set forth in the Morningside Presbyterian Preschool Parent Handbook and the Staff Handbook. In particular, policies for the summer include, but are not limited to:

Parents must submit Emergency Contact Information and Medical Information at the time of registration.

Children may not attend school with a temperature of 101 or higher and must be symptom free for 24 hours before returning to school. Children are expected to participate in all activities while in school.

Special medications may be administered by the Director only after the Prescription/Medication Treatment Authorization form has been signed.

Medication may not be placed in a child's lunch bag or backpack.

Children will play outside daily unless the National Weather Service advises against outdoor activity.

Children will bring their own snacks and lunches, along with water bottles that can be taken to the playground.

Parents will sign in and sign out their children each day. There will be a \$1.00 minute late charge for pick up after 1:40.

All clothing should be labeled, but especially swim wear, if the State of Georgia allows outdoor water activity such as wading pools or sprinklers.

Do not send personal toys with your child.

If you wish your child to use insect repellent or sunscreen, please administer it at home.

Children should not wear sandals, flip flops, or crocs. Children are more likely to fall and have a difficult time running. In addition, sand gets into toes and is uncomfortable.
