THE HAPPENING EXPERIENCE: AN INSTRUMENT OF RENEWAL

The Happening experience is a powerful instrument of renewal in the Church. Its aim is to concentrate closely on the life of Jesus Christ while trying to instill a desire to understand and connect with the Church. During the weekend the teachings of Christ are discussed in both large and small group settings. There are several services that allow time for reflection and prayer. There's also a lot of music, games, fun and great food.

The Rector for Happening is usually a senior in High School. He or she is supported by a staff that includes teenagers and adults serving as "gophers", cooks, coordinators and advisors. Two priests are also there as Spiritual Directors. Happeners and staff are fed and housed at a host parish.

WHO CAN ATTEND??

Everyone is accepted. There are groups for teenagers currently in 10th, 11th and 12th Grade. There is also a group for adults (18 and up). Happening is open to ALL denominations. Bring a friend or family member!

HOW MUCH??

\$30.00 with your Application and Insurance Information. Make checks out to "Happening in Mississippi". Scholarships are available - please include a request with your application. Please ask your local parish for assistance as well.

FORMAT

Happeners should arrive at 7:00 p.m. SHARP on Friday. We cannot begin until everyone is there. Eat supper before you arrive. After introductions, rules, and a few games, the weekend theme develops with the Rector's address. The changing nature of our world and society is compared with the permanent nature of Spiritual Reality. You will meet some wonderful friends who are looking for answers to the same questions you face in everyday life.

CLOSING

The Happening ends with a closing Eucharist at 3:30 p.m. on Sunday. Parents, family, friends, former Happeners and parishioners are encouraged to attend. It is an incredible service of celebration and a chance for Happeners to share some of their experiences about the weekend.

WHAT TO BRING??

Sleeping bag, pillow, towels, soap, toothbrush, toothpaste, towels, warm-clothes, cool clothes, etc. If you forget something, we can get it. Did I mention towels? If you have a special diet (vegetarian, lactose intolerant, diabetic) contact us ahead of time so we can accommodate you.

WHAT NOT TO BRING??

Food, drink, alcohol, cigarettes, tobacco products, drugs (other than prescription medications which will be administered by an adult staff member).

A MESSAGE FROM OUR BISHOP

Over the past twenty years the Episcopal Church and, for that matter, the Christian Church has been experiencing spiritual renewal through a variety of experiences at the local level and through conferences. Happening is such an opportunity for our high school students. Vocare offers a similar weekend of renewal for college students. I encourage you to take advantage of this opportunity to strengthen and renew your own spiritual journey. You won't regret the experience. In fact, you will want to share it with others! Perhaps I'll see you there.

Faithfully,
