

Meetings & Transition Plan – IL Job Aid

The *Meetings* screen allows the user to document the invitations, attendance and Thank You letters for meetings including Transition Plans. The Meeting must be scheduled and documented on the *Meetings* screen before a Transition Plan can be created. After a Transition Plan has been created it can be accessed through the *Transition Plan* screen.

Meetings & the Transition Plan

The screenshot displays two overlapping software interfaces. The background window is titled 'Meeting' and features a 'Create Meeting' button, radio buttons for 'Meeting Type' (Active, Cancelled, Facilitated), a search bar, and a table with columns for Date, Time, Meeting Type, Meeting Status, Facilitator, Invites Sent, and History. A row shows a meeting on 01/31/2017 at 12:54 PM, Type: Transition Plan, Status: Scheduled, Facilitator: JoAnn Hannah, Invites Sent: Y. Below the table is a 'Show 10 entries' link. The foreground window is titled 'Transition Plan' and contains a 'Plan Summary' section with a 'Plan Type' dropdown. Below this is a 'Strengths' section with a '-Select-' dropdown and a '+ Add' button. At the bottom are three boxes: 'Goals & Action Steps', 'Transition Plan Signature', and 'Transition Plan Approval', each with a checkmark icon. A 'Print Transition Plan' button is at the bottom right.

Creating a New Support

1. To create a new Support, click the **Add Support** button. The *Search Support* pop-up will appear:

Select	First Name	Last Name	Gender	Support Type	Contact #	MCID
<input type="radio"/>	Janet	Jones	Female	Child Welfare Worker		0
<input type="radio"/>	Janet	Jones	Female	Child Welfare Worker		0
<input type="radio"/>	JANET	JONES	Female	Youth Support Partner/Supervisor		0

- a. Enter the *First Name* and *Last Name*. For Natural Supports enter (if known) *Gender* and *Birth Date*.
- b. Select the *Search Location*. Supports can be searched for in all of Synergy (Enterprise) or only in a specific program such as DHSSSP, YSP or HCM. The location defaults to "ALL".
- c. Click the **Search** button to locate possible matches in the system. A list of possible matches will display in the *Search Result* grid.
- d. Review the results to determine whether the Support is one of the individuals in the *Search Result* grid.

Select	First Name	Last Name	Gender	Support Type	Contact #	MCID
<input type="radio"/>	Janet	Jones	Female	Child Welfare Worker		0
<input type="radio"/>	Janet	Jones	Female	Child Welfare Worker		0

- i. If there is a match in the *Search Results* grid click the radio button next to the desired person's name in the *Search Results* grid and then click **Add to Referral**.
- e. If none of the results match the person being added, click **Create Support** without selecting anyone from the *Search Results* grid.
 - f. To close the *Search Supports* pop-up without adding a support click **Cancel**.

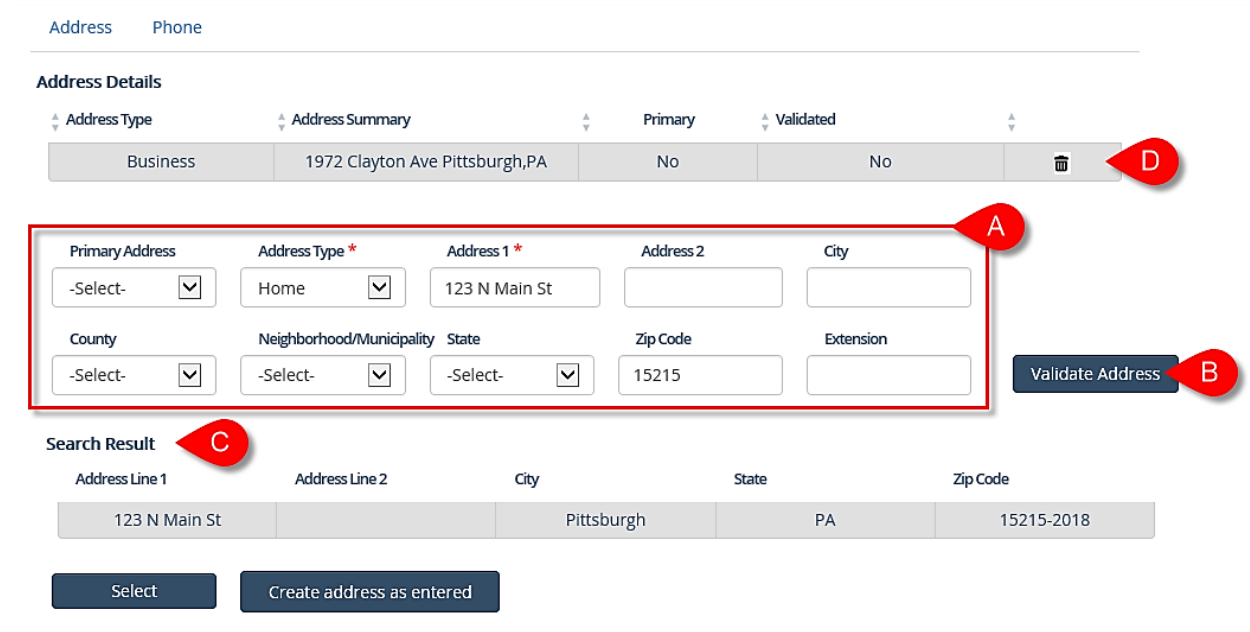

Completing the Supports pop-up

1. When **Create Support** or **Add to Referral** is clicked the *Supports* pop-up will appear.

The screenshot shows a 'Supports' pop-up form. It contains several sections: 'Support Category' and 'Support Type' (both dropdown menus with '-Select-' as the current selection); 'Business Name' and 'Prefix' (text input fields); 'First Name' (text input field with 'Janet'), 'Middle Name' (text input field), 'Last Name' (text input field with 'Jones'), and 'Birth Date' (text input field); 'Gender' (dropdown menu with '-Select-') and 'Email' (text input field); 'SSN' (text input field) and 'Active' (dropdown menu with 'Yes' selected); 'Notes' (a large text area with a magnifying glass icon); and two radio button questions: 'Does the Youth want this person to be invited to their meetings?' (with 'Yes', 'No', and 'N/A' options) and 'Does the Youth want this person to be explored as a possible placement option?' (with 'Yes', 'No', and 'N/A' options). Below these are tabs for 'Address' and 'Phone'. The 'Address Details' section includes a table with columns for 'Address Type', 'Address Summary', 'Primary', and 'Validated'. Below the table are input fields for 'Primary Address' (dropdown with '-Select-'), 'Address Type' (dropdown with '-Select-'), 'Address 1' (text input), 'Address 2' (text input), 'City' (text input), 'County' (dropdown with '-Select-'), 'Neighborhood/Municipality' (dropdown with '-Select-'), 'State' (dropdown with '-Select-'), 'Zip Code' (text input), and 'Extension' (text input). A 'Validate Address' button is located to the right of the 'Extension' field. At the bottom of the form are 'Save' and 'Cancel' buttons.

2. Enter all the relevant information for this Support in the *Supports* pop-up.
- The Support can be made Active or Inactive at any time by selecting "Yes" or "No" from the *Active* drop-down.
3. When the entire *Supports* pop-up is completed click **Save** at the bottom of the pop-up to save the information entered or changed.
4. Clicking **Cancel** at the bottom of the pop-up will close the pop-up without saving any information entered or changed.

5. Multiple addresses can be entered for the Support. The Support can also be saved without entering an address.

The screenshot shows the 'Address' management interface. At the top, there are tabs for 'Address' and 'Phone'. Below is the 'Address Details' section, which includes a table with columns: Address Type, Address Summary, Primary, Validated, and an action icon. A red callout 'D' points to the delete icon in the first row. Below this is a form for entering address details, with a red box and callout 'A' highlighting the input fields. The form includes: Primary Address (dropdown), Address Type* (dropdown), Address 1* (text), Address 2 (text), City (text), County (dropdown), Neighborhood/Municipality (dropdown), State (dropdown), Zip Code (text), and Extension (text). A 'Validate Address' button is labeled with a red callout 'B'. Below the form is the 'Search Result' section, labeled with a red callout 'C', which contains a table with columns: Address Line 1, Address Line 2, City, State, and Zip Code. The table shows a result for '123 N Main St', 'Pittsburgh', 'PA', '15215-2018'. Below the table are 'Select' and 'Create address as entered' buttons.

- To enter a new address:
 - Select whether or not the address is the individual's *Primary Address*, select the *Address Type*, and enter all of the known address information.
- Click **Validate Address**.
- If the *Search Result* list includes the desired address, click on the correct address in the grid and Click **Select**.
 - If the Correct address is not in the Search Result list, the *Address Information* can be updated and searched again. To do so, edit the *Address Information* and click **Validate Address**.
 - If, after searching again, the address cannot be located in the *Search Result* list, the address can still be saved without validation by clicking **Create address as entered**. The address will appear in the *Address* grid with a "No" in the *Validated?* column to indicate that the Address has not been validated.
- If an address has been added in error, click the delete icon [] to the right of the address in the *Address* grid to delete.

6. Multiple phone numbers can be entered for the Support as well. The Support can also be saved without entering a phone number.

- To add a new phone number, click on the *Phone* tab, enter all the known phone information and click **Save** to add this phone number to the *Phone* grid.
- To edit an existing phone number, click on the *Phone Type* for the desired number in the grid.
- If a phone number has been added in error, click the delete icon [] to the right of the phone number in the *Phone* grid to delete it.
- To enter additional phone numbers, click **New**.

Note: Only one Address and only one Phone number can be marked as Primary at a time.
