

TUESDAY JAY 19 2010

Dear Kaboom Grant

I would love if I had a playground
so I can play on the play ground
thank you for the money I love
you so much for Donating to
Queen Elizabeth school so we
can have some fun and to
be happy

Sincerely Destiny

Tuesday Jan 12 2010

Dear Kaboom Grant,

I think Queen E school should have awesome things like this. For the play ground I would like a swing set, also a big slide. We need more play ground things. Also this school should have another monkey bar. I think we should have these things because I want every one to have lots and lots of fun. It's also for good exercise.

Q.E. student
Taylor

Tue Jan 12 2010

Dear Kaboom Grant

I want the playground so it will be more fun outside. Then there will be one more thing to do. Then when I am bored I can go on the equipment. I want a swing set, slide, merry go round, tire swing, monkey bars, fire pole, teeter totter.

Sincerely,

T.J.

Tues Jan 12 2010

Dear Kaboom Grant,

I think Queen Elizabeth public school needs more equipment for the playground. For example: boomerangs, footballs, tennis balls and if it's not too much maybe a new climbing set! Lot student s of tennis balls get stuck up on the roof. I also think either a swing set or a new climbing thing. Boomerangs are fun because they come to back to you! Also activity is important because lots of people are just walking around which isn't very active!

Sincerely,
your QE student
Gareth

Mon. Jan. 18 2010

Dear Kaboom Grant,

I think we should have playground equipment because it would be a good workout for the kids if we had swings, monkey bars and ladders. The equipment would also be fun. The equipment I would like are monkey bars, swings, a slide, ladders and rock climbing walls.

Sincerely,
Queen E. Student

Alex

Tues. Jan 12,
2010

Dear Kaboom Grant,

Please can we get some playground equipment? I think we should have a swing set and slides and climber sets. That would help us because we would get exercise! Plus it would be fun for the kids to play on. All we have for Queen E is a dinosaur climber but that's on the J.K side and I have to stay on the gr.4 side. On the gr.4 side we have a base ball field and no base ball bats. It would be so great to have play sets at Queen E so please give us some. That is why we should have play ground equipment.

Sincerely,

Makenna

Tues Jan 18 2010

Dear Kaboom Grant,

I think we should have more playground equipment because all we have are skipping ropes and a climber thing. The climber thing isn't even on our side. All we have on our side are 2 base ball diamonds and can we please have a swing set and a slide. I think it would also be good exercise for kids

Sincerely,
Queen E student
Georgia

Mon, Jan 18, 2010

Dear Kaboom Grant,

Our school needs new playground equipment because exercise for our school. Our whole school is saving for the playground. So we need your help. Pretty please.

Sincerely,

Ethan

Playground Letter
Dear kaboom grant

What I would like for our playground is
Mini sticks, frisbees, boomerangs and swings
I would like ministicks because they always break.
Ministicks is also good exercise. The good thing
About frisbees and boomerangs are good hand
Hand eyed cordonation.

Sincerily Q.E student
Brandon

Playground Letter

Dear Kaboom Grant,

I think the school should get two slides because slides provide perfect exercise going up the ladder. I also think our school should get two water fountains because if any student gets tuckered out when they get a drink they will be refreshed.

Sincerely,

Nick
