Benner Hall

Playground Fund

Building community spirit through recreation.

(proposed large playground area)

Richlandtown Borough
Tel: 215-538-9290

What is the Fund?

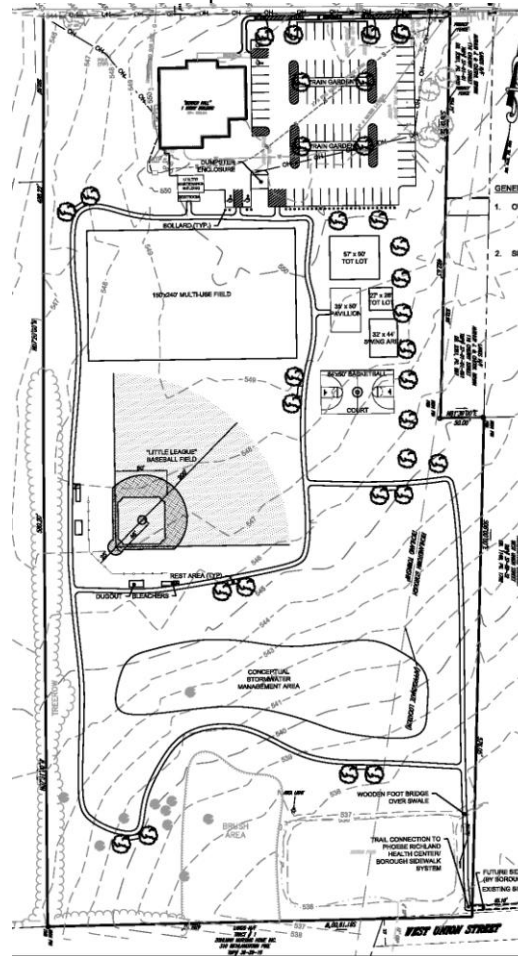

The Benner Hall Playground Fund began in the fall of 2009. The fund is a subset of the Richlandtown Parks and Recreation Board, an all volunteer group that has been working tirelessly for the past three years to restore and improve the community center Benner Hall and the park grounds that surround it.

The group is being given the opportunity to use a grant from Bucks County towards improving the park and is raising funds to supplement that grant. Current plans include improved and extended parking, a new ADA accessible playground, complete rehabilitation of the baseball field, basketball courts, and construction of a walking trail through the open acres of land. This trail would ultimately connect Union Street to Cherry Street and create areas for passive recreation, nature watching, and picnicking.

We are offering the opportunity for local businesses and individuals to sponsor the playground, with various levels of recognition available. Please see the enclosed form for your opportunity to give to this recreational facility that will benefit all ages and people in our area.

What Are You Building?

Below is a conceptual site drawing showing the current draft plan.

What is the Cost?

The cost of the entire project is estimated to be about \$700,000.

It will be funded partially by grants that the Borough is pursuing, and partially by grassroots fundraising and in-kind labor. Volunteers have been planning events to benefit the fund and the Parks and Recreation Board is seeking private sponsorships as well.

For your opportunity to sponsor the park as an individual or business, see the form located on the back of this paper.
