***Re: Accreditation Withdrawn
(Final Action)
ACCET ID #1349***

Dear Dr. Milne,

At its April 2017 meeting, the Accrediting Commission of the Accrediting Council for Continuing Education & Training (ACCET) voted to withdraw accreditation from Access International Business Institute located in Ann Arbor, Michigan.

It is noted for the record that an interim report was directed in the December 20, 2016 Commission Action letter, resulting from a grant of reaccreditation, requiring four specific items related to Standards VIII.C – Student Progress and Standard III.D - Records. The Commission reviewed email correspondence between ACCET staff and the institution sent March 1, March 17, March 23, and March 24 in which the institution indicated its intention to submit the interim report, but noted a serious of challenges regarding continued operation. The interim report, due February 27, 2017, was not submitted by the institution. It is further noted that on April 9, 2017, following the April Commission meeting, the institution submitted by email, notice of voluntary withdrawal of accreditation. As a result, the withdrawal of accreditation, as of the date of this letter, is a final action.

Should you have any questions or need further assistance regarding this letter, please contact the ACCET office at your earliest opportunity.

Sincerely,

A handwritten signature in cursive script that reads "William V. Larkin".
