***Re: Initial Accreditation Denied - Final
ACCET ID #1553***

Dear Dr. Pat,

This letter is to inform you that the denial of initial accreditation by the Accrediting Commission of the Accrediting Council for Continuing Education & Training (ACCET) is a final action. The Commission's action letter, dated December 21, 2018, informed you of the Commission decision to deny initial accreditation, along with notice that this was not a final action. The letter also notified the institution of the opportunity to appeal, in accordance with ACCET policy, if notice of intent to appeal was received within 15 days of the institution's receipt of the Commission letter. No notice of intent to appeal was received by the January 17, 2019 deadline, which was fifteen days from your confirmed receipt of the Commission letter by Federal Express on January 2, 2019; therefore, the available administrative remedy through the appeal process was exhausted and the Commission's adverse action became final, effective January 17, 2019.

Institutions subject to a final adverse action are provided the opportunity to submit official comment with regard to the Commission's action. If received within 15 days of receipt of this letter, your official comments will be posted on the website, along with the Commission's denial of accreditation.

As a closing note, it remains our hope that the accreditation evaluation process has served to focus on your institution's resources and commitment toward strengthening its operations through the systematic and effective implementation of administrative and academic policies, procedures, and practices that ensure a high level of quality and integrity on behalf of your students.

Sincerely,

A handwritten signature in cursive script that reads "William V. Larkin".
