***Re: Initial Accreditation Denied – Final Action  
ACCET ID #1468***

Dear Mr. Levin:

This letter is written to advise you that the denial of initial accreditation by the Accrediting Commission of the Accrediting Council for Continuing Education and Training (ACCET) of the English USA Language School was affirmed by the ACCET appeals panel at the November 17, 2016 hearing. The Accrediting Commission denied initial accreditation to English USA Language School in its letter dated August 30, 2016, citing nineteen (19) findings of non-compliance, along with specifying an opportunity to appeal the decision. The institution submitted its request to appeal and subsequently provided its appeals brief and exhibits on October 25, 2015. Upon review of the institution's brief and exhibits, the panel affirmed the Commission's findings, as referenced in the enclosed decision of the appeals panel. Therefore, the decision to deny initial accreditation to the institution is a final action. It is noted for the record that the Commission acknowledged the appeals panel's decision to deny initial accreditation to English USA Language School after its consideration of the written record, including the appeals brief and supplementary exhibit provided by the institution during the appeals hearing.

At the recommendation of the Appeals Panel, ACCET conducted an internal investigation of the institution's claim that it did not receive a fair and honest site inspection during the initial accreditation visit. Upon review of the evidence, including the supplementary exhibits provided by the institution during the appeals hearing, the Commission was satisfied that there was no basis to substantiate the allegations made by the institution.

As a closing note, the institution has the opportunity to provide a narrative to the Commission's action within 15 days of receipt of this letter. ACCET reserves the right to redact any inappropriate or inflammatory comments prior to posting the response on the website. It remains our hope that the accreditation process has served to focus the institution's resources and commitment towards strengthening its operations.
