Meeting of the City of Grand Rapids Tax Increment Financing Authority May 8, 2019

1. <u>Call to Order</u> – The meeting was called to order 9:46 am at by Chair Shaun Biel

2. <u>Attendance</u>

<u>Present</u>: Jim Baldwin, Shaun Biel, Mayor Rosalynn Bliss, Elianna Bootzin, Diedre Deering, Jane Gietzen, Mark Roys, Jim Talen, Rick Winn

Absent: Carl Kelly, Kayem Dunn

<u>Others Present</u>: Tim Kelly (Executive Director), Flor Valera (MNTIFA Recording Secretary), Jana Wallace (MNTIFA Treasurer), and Stephanie Wong (DGRI Staff)

2. Approve Meeting Minutes from February 13, 2019

Motion: Diedre Deering, supported by Mayor Rosalynn Bliss, moved approval of the minutes from February 13, 2019. Motion carried unanimously.

4. Accept Financial Statements from March 31, 2019

Jana Wallace introduced the financial statements for the first nine months of the Authority's fiscal year ending June 30, 2019. Ms. Wallace stated in January, the Authority received a reimbursement of \$12,455 from the Federal Emergency Management "FEMA" for repairs to the floodwall, which were damaged during the 2013 Grand River Flood. Overall, the Authority has sufficient cash to support budgeted expenditures. Ms. Deering referred to Statement C line item "City Treasurer-Budget Office" and asked why the posting of \$15,248 appeared twice in the statement. Ms. Wallace stated this was due to an allocation coding error and its showing twice in the statement because it had to be corrected.

Motion: Jane Gietzen, supported by Rick Winn, moved to approved Statement C: January 1 through March 31, 2019 Expenditures. Motion carried unanimously.

5. DASH Memorandum of Understanding

Tim Kelly stated the MNTIFA, the DDA and Mobile GR previously entered into a Memorandum of Understanding (MOU) dated back to 2012 to financially support the DASH North transit services. For FY2020, it is proposed that an additional one-year MOU be entered into for the period ending June 30, 2020. Mr. Kelly gave an overview of the past contribution amounts. Monthly ridership numbers from FY19 were also included in the agenda packet. He stated the MNTIFA's contribution will remain the same at \$80,000, while the DDA's contribution will increase. He stated the DDA just approved their shared of cost and their increase in funding is needed to continue the expanded service offerings that were initiated in FY2019. Mr. Kelly stated to help offset the additional costs, we will continue to identify additional partners to contribute to the enhanced services. He added that advertising opportunities will also be pursue within the vehicles.

Motion: Jane Gietzen, supported by Diedre Deering, moved to approve the MOU, approved as to content by the DGRI President and CEO and as to form by DDA/MNTIFA legal counsel, extending DASH services through June 30, 2020. Motion carried unanimously.

6. FY2020 Budget

Tim Kelly presented the Board with the proposed MNTIFA FY20 Budget and Priority Plan. The FY2020 plan consists of both new projects and carry forward priorities that span multiple fiscal years. The agenda packet also includes a budget narrative that provides a high-level overview of each of the proposed projects. Mr. Kelly stated because the DDA boundaries have been amended to include the TIFA, there is an opportunity to layer tools and increase the levels of contribution. He directed the Board's attention to the spreadsheet outlining the Five-Year Priority Plan. The Plan outlines all of the anticipated revenue and expenditures of the Authority over the next five years. The priority plan assumes a .5% annual growth in the Authority's property tax increment revenues over the life of the Priority Plan. Mr. Talen reference the new hotel that had just opened in the area and asked if the Authority would receive an additional increase in property tax revenue. Mr. Kelly responded no because the hotel is located outside the TIFA boundary and is built in a Michigan tax-free Renaissance Zone. Ms. Wallace stated the TIFA's property tax increment revenues are currently based on projections and will be adjusted as soon as we receive the final estimates. Mr. Kelly continued by providing a summary of the projects listed under each goal. New projects include planning for the management of the future River Corridor Improvements. Mr. Kelly stated we will be releasing an RFP/RFQ to hire a consultant to assist with the process of developing recommendations to determine what a governance model could look like. A draft of the RFP/FRQ has already been presented and reviewed by both Goal 1 Alliance and the DGRI Board of Advisors. We will continue to keep this board inform of how the process moves along. The MNTIFA will also contribute to the reconstruction of Mason Street and Ottawa Avenue. The project design will begin in FY2020 and will likely include pedestrian enhancements to improve the streetscape and walkability. Carry forward projects include contributions to conclude the reconstruction of Newberry Street from Monroe to Division Avenue. This project is under construction and once complete it will include pedestrian enhancements. We will continue to provide funding to support the operations of the DASH North Shuttle service and support the installation of new transit shelters. To further reinvest in public spaces, we have funds designated to support the enhancements of the Monroe North Parks by following the implementation of the River for All Design Guidelines. To conclude with the overview, Mr. Kelly outlined the next steps of the budget process which include presenting the recommended budget to Grand Rapids City Commission on May 14 to request bottom-line appropriation followed by the final adoption of the budget at the next scheduled MNTIFA Board meeting.

Motion: Rick Winn, supported by Diedre Deering, moved to approve the MNTIFA Priority Plan for FY20 to FY24 and adopt a resolution recommending the City Commission approve the MNTIFA Annual Budget for FY20. Motion carried unanimously.

11. <u>Adjournment</u>

The meeting adjourned at 10:02 am

Agenda Item # 3
August 14, 2019
Monroe North TIFA Meeting

DATE: August 9, 2019

TO: Monroe North Tax Increment Financing Authority

FROM: Jana M. Wallace

Debt and Authority Finance Officer

SUBJECT: Preliminary FY2019 Financial Statements Through June 30, 2019

Attached are the Authority's preliminary financial statements for the fiscal year ended June 30, 2019. The statements are marked as "Preliminary," since the Authority's FY2019 financial audit has not been completed. However, unlike the Downtown Development Authority, I expect there is only one small year-end adjustment remaining to be made to the Monroe North TIFA Fund

Statement A: Balance Sheet - Preliminary

Statement B: FY2019 Statement of Revenues and Expenses - Preliminary Statement C: Schedule of April through June, 2019 Expenditures - Preliminary

The Authority's balance sheet on Statement A indicates the Authority is in a strong position financially with sufficient Pooled Cash to support development plan expenditures for FY2020 and beyond.

Since FY2019 actual expenditures were lower than budgeted, the Authority increased its fund balance by \$254,811 as of June 30, 2019.

Please contact me at 456-4514 or at jwallace@grcity.us if you have any questions.

MEMORANDUM

MONROE NORTH TIFA

DATE: May 3, 2019

TO: Monroe North TIFA

FROM: Tim Kelly, AICP

DGRI President & CEO

SUBJECT: Proposed FY20 Budget and Priority Plan

Agenda Item #4 May 8, 2019 MNTIFA Meeting

Each year the Monroe North Tax Increment Finance Authority (MNTIFA) recommends and adopts a one-year budget and five-year priority plan to reflect the priorities for investment in the Monroe North neighborhood. With GR Forward now an approved amendment to the City's Master Plan, DGRI has clearly defined objectives and continues to work diligently to ensure its budgets reflect the plan's recommendations.

The FY2020 MNTIFA budget and priority plan consists of both new projects from GR Forward and carry forward priorities that span multiple fiscal years. New projects include planning for the management of future River Corridor Improvements, and contributions to the reconstruction of Mason Street and Ottawa Avenue. Carry forward projects include contributions to Newberry Street enhancements, improvements to DASH North infrastructure and implementation of the recently approved Streetspace and River for All Guidelines. When examined by GR Forward goal the breakdown for FY19 is as follows:

- Goal 1 (Restore the River as the Draw): \$110,000
- Goal 2 (Create a True Downtown Neighborhood Home to a Diverse Population): \$65,000
- Goal 3 (21st Century Mobility Strategy): \$530,000
- Goal 5 (Reinvest in Public Space, Culture and Inclusive Programming): \$200,000

As in previous years, the Downtown Grand Rapids Inc. Alliances played an important role in developing the budget. Beginning in February 2019, staff began soliciting input from the five goal Alliances charged with advising on projects and priorities. This 3-month, iterative process culminated in all five Alliances providing recommendations to the three fiduciary Boards of DGRI (DDA, DID, and MNTIFA) regarding their ambitions for the coming fiscal year. The attached budget narrative provides additional detail on the various priorities that emerged during that process.

Following a recommendation from the TIFA Board, DGRI staff will present the recommended

budget to the City Commission on May 14, 2019, requesting bottom-line appropriation. After receiving City Commission appropriation, the TIFA Board will be asked to adopt their final annual budget and priority plans at the next scheduled meetings.

Recommendation: Recommend the FY2020 MNTIFA Budget Summary to the Grand Rapids City Commission and request fund appropriation.

MONROE NORTH **TIFA**

Agenda Item #5

August 14, 2019 MNTIFA Meeting

DATE: August 8, 2019

TO. Monroe North TIFA

FROM: Andy Guy, DGRI Chief Outcomes Officer

SUBJECT: Grand River Governance Consultant Authorization

Downtown Grand Rapids, Inc. (DGRI), in close collaboration with the City of Grand Rapids, Kent County, Grand Rapids Whitewater and other community partners, recently initiated a process to evaluate and recommend a longterm governance structure and funding strategy for developing, managing and sustaining the public assets associated with the future revitalized Grand River corridor (or "the Project").

The full vision for the Project involves restoring the City's namesake whitewater rapids in the waterway and, along the waterfront, transforming an approximately 9-mile linear area along both sides of the riverbanks into a new eastwest multi-purpose trail and network of public amenities extending from Riverside Park to Millennium Park.

Through such community-based planning initiatives as Green Grand Rapids, GR Forward, River for All and the Destination Assets Study, Grand Rapidians have envisioned and affirmed the Project as a signature public amenity in a class with such ambitious civic projects as The High Line in New York City, Atlanta's BeltLine and the waterfront revitalization initiatives underway in such cities as Toronto, Chicago and Detroit.

Given the significant potential, importance and complexity of the Project, DGRI and partners in June 2019 issued a call (RFQ) for qualified consultants to support the essential work of evaluating and recommending a governance and funding model to execute on the community's vision for a restored and revitalized river corridor running through the urban core.

DGRI staff in July 2019 reviewed and evaluated seven RFQ responses with the GR Forward Goal 1 Citizen Alliance guiding DGRI's work to restore the Grand River as the draw and build a connected and equitable river corridor. Staff then shared the results of the Alliance deliberations and engaged further discussion with the Organizational Leadership Committee recently established to quide the process of evaluating and recommending a long-term governance structure.

A team comprised of HR&A Advisors and Kathy Blaha Consulting emerged from those conversations, and additional staff due diligence, as the strongest team with the expertise and experience required to support this important process.

HR&A is a leading real estate and economic development consultancy and a recognized authority on successful strategies to plan, organize and implement transformative city-building initiatives. They have an accomplished portfolio of urban industrial reuse projects and come recommended by peer organizations/cities. The firm also comes with familiarity of the local context, having supported the development of the City's 2017 Parks and Recreation Master Plan and through their current work on the City's Equitable Economic Development and Mobility Strategic Plan.

Kathy Blaha Consulting has worked with cities and parks partners across the country to design and implement forward-thinking plans for parks governance and management. She recently worked with the Frey Foundation, the City and DGRI to develop the Ecliptic at Rosa Parks Circle Conservancy to enhance the management of that space.

DGRI staff is confident this team will provide valuable services and insights to this governance and funding study. Deliverables will include:

- Memo presenting a thorough analysis of governance options and rationale for a preferred alternative to realize the vision for a restored, revitalized and high-performing Grand River corridor.
- Memo detailing a proposed multi-year capital plan to implement the community's River for All vision.
- Memo detailing a proposed funding plan to build, manage and maintain the new riverfront amenity.
- Memo assessing the estimated economic benefits of building the riverfront amenity.

The RFQ purposefully did not request respondents to submit budget information, opting to deliberate the options based on skills and experience. Given MNTIFA approval, the next step is for DGRI staff to further discuss the process goals, schedule and budget with the preferred consultant team. Both the MNTIFA and GR Downtown Development Authority have budgeted FY20 funds to support this work. Staff aims to return for funding authorization in September 2019.

Recommendation: Accept the consultant recommendation and authorize DGRI staff to negotiate a project budget with the HR&A team.
