Meeting of the City of Grand Rapids Tax Increment Financing Authority

May 10, 2017

1. <u>Call to Order</u> – The meeting was called to order at 9:58am by Chair Howard Hansen

2. Attendance

<u>Present</u>: Shaun Biel, Mayor Rosalynn Bliss, Diedre Deering, Kayem Dunn, Jane Gietzen, Howard Hansen, Carl Kelly, Jim Talen, Rick Winn

Absent: Mark Roys

Others Present: Kris Larson (Executive Director), Murphy Ackerman (Executive Asst/Office Manager), Tim Kelly, Annamarie Buller (DGRI Staff), Dick Wendt, Jana Wallace

3. Approve Meeting Minutes from October 12, 2016

Motion: Mayor Rosalynn Bliss, supported by Shaun Biel, moved approval of the minutes of the October 12, 2016 meeting of the TIFA as submitted. Motion carried unanimously.

4. Accept March 31, 2017 Financial Statements

Ms. Wallace said these are the first set of financials for FY17. Ms. Wallace noted that the tax increment revenues are higher than estimated and it will help to compensate for the TIR that were lost due to the industrial exemption. Ms. Wallace said she does not anticipate that the revenues will be this high in future years. Mr. Larson said he will work with Ms. Wallace to determine if there is an easier way to allocate overhead costs, so there are not as many small transactions every month.

Motion: Jane Gietzen, supported by Kayem Dunn, moved to approve Statement C- Preliminary Schedule of March 31, 2016 expenditures as recommended. Motion carried unanimously.

5. Presentation of FY16 Financial Audit

Ms. Wallace explained that the presentation of the FY16 audit has been a bit delayed due to a lack of meetings since its completion. Ms. Wallace explained that the supplemental section outlines current and future projects for the benefit of the Board to reference in future years. Ms. Wallace said the auditors issued an unmodified opinion, meaning a clean report.

Motion: Jane Gietzen, supported by Mayor Rosalynn Bliss, moved to accept the audit for the year ending June 30, 2016. Motion carried unanimously.

6. Recommend FY18 Budget and Priority Plan

Mr. Larson gave an overview of various projects proposed for the FY18 budget. Mr. Larson noted that while some of the line items are specific as they include exact estimates or previous not-to-exceed budgeted amounts for programs or projects, others are less certain and require further definition that creates an allocated amount from which staff will work with partners to define the approach to the project. Projects include, but are not limited to: accessibility improvement implementation as a result of the accessibility audit, river trail design quidelines, retrofitting a series of trails, bicycle trail

improvements, downtown census update, DASH system and shelter improvements, Switchback park design, and mobile vending infrastructure. Mr. Larson added because the DDA boundaries have been amended to include the TIFA, there is an opportunity to layer tools and increase the levels of contribution. Mr. Hansen said he would like to more closely evaluate development projects as they approach the TIFA for incentives because they affect revenues. Mr. Larson said projects that request tools in the TIFA tend to ask for OPRE's or NEZ's that effectively move a property off of the tax assessment. While it helps to bring redevelopment to the neighborhood, there is also a need to increase taxable value. Mr. Talen said he would like the Board to begin thinking about the future of the neighborhood and what the desired outcomes are. Mr. Hansen said he is pleased to see this neighborhood growing and believes many are benefitting from the growth. Mr. Hansen asked if the DASH line item includes both the funding of the system as well as the infrastructure improvements. Mr. Larson said it includes the DASH service, but the infrastructure would be funded by the DDA. Mayor Bliss asked if lighting will be added to the Michigan Street underpass as it is currently under construction. Mr. Larson said it is budgeted, but wants to work with the community to identify the character of the neighborhood that they would like to see reflected in the lighting scheme.

Motion: Carl Kelly, supported by Rick Winn, moved to recommend the FY18 MNTIFA Budget Summary to the Grand Rapids City Commission and request fund appropriation. Motion carried unanimously.

7. President & CEO Report

DDA 4/12/17

- Approved \$180,000 for pedestrian improvements and lighting enhancements for Michigan St.
- Approved \$20,000 to support mural project

DID 5/15/17

- Will consider FY18 Budget
- Will receive update on spring plantings

MNTIFA (5/10/17)

- Will receive audit presentation
- Will consider FY18 Budget

DGRI (4/18/17)

- Approved updated inter-organizational term sheet with City
- Receive presentation from VoiceGR Survey
- Reviewed DGRI Performance Indicator Methodology
- Approved Alliance 2.1 model

Alliances:

INVESTMENT (5/9)

- Chair: Nikos Monoyios, Long Range Planner @ The Rapid
- Will consider pedestrian crossing improvement at Wealthy / Cass Sts.

VIBRANCY (3/14)

Monroe North TIFA Minutes – May 10, 2017 Page 3

- Chair Brandy Moeller, City of Grand Rapids
- Planning for Food Truck Rally event in May, 2017
- 2nd look at Alliance 2.0 engagement model

LIVABILITY (3/27)

- Chair: Lynee Wells, Principal @ Williams & Works Working Group Discussions
- Reviewed FY18 budget recommendations
- Approved proposed Alliance 2.0 engagement model

DGRI Staff Highlights

Events / Marketing / Communications / Engagement

- Held Women in City Building Event Mar 30th packed room ~600 online streams of video

Monroe North TIFA Minutes – May 10, 2017 Page 4

10.

Adjournment
The meeting adjourned at 10:47 a.m.

Agenda Item #4 June 14, 2017 Monroe North TIFA Meeting

DATE: June 8, 2017

TO: Monroe North Tax Increment Financing Authority

FROM: Jana M. Wallace

Treasurer

SUBJECT: FY2017 Interim Financial Statements Through May 31, 2017

Attached are the Monroe North Tax Increment Financing Authority interim financial statements for first eleven months of the fiscal year ending June 30, 2017.

Statement A: Balance Sheet

Statement B: FY2017 Statement of Revenues and Expenses

Statement C: Schedule of April 1, 2017 through May 31, 2017 Expenditures

Aside from a typical volumn of expenditures, there was little financial activity during April and May, 2017. Year to date expenditures are well within FY2017 budget parameters. The Authority has sufficient cash for budgeted expenditures.

Please call me at 456-4514 or email me at jwallace@grcity.us if you have any questions.

MEMORANDUM

MONROE NORTH TIFA

Agenda Item #4

June 14, 2017 MNTIFA Meeting

DATE: June 12, 2017

TO: Monroe North TIFA

FROM: Kristopher Larson, AICP

President & CEO

SUBJECT: Adopt FY18 Budget and Priority Plan

6/8 Update:

At its meeting on May 27, 2017, the Grand Rapids City Commission unanimously approved the FY18 Monroe North Tax Increment Finance Authority's (MNTIFA) budget as recommended by the MNTIFA Board on May 10, 2017. Included with this document is a combined budget summary which provides the MNTIFA with bottom-line authorization to proceed with its priorities planned for fiscal year beginning July 1, 2017.

Each year, the Monroe North Tax Increment Finance Authority (MNTIFA) recommends and adopts a one-year budget and 5-year priority plan to reflect the emergent priorities of the Monroe North neighborhood. Some of the line items are highly specific as they include exact estimates or previous not-to-exceed budgeted amounts for programs or projects. Examples of these include costs for the annual audit, DASH North service, debt service payments, and street enhancement programs completed in partnership with the City of Grand Rapids. Others are less certain and / or require further definition – urban recreation – which effectively creates an allocated amount from which staff will work with partners at the Parks department and / or Friends of GR Parks to define the programmatic approach to outdoor fitness equipment purchases for Canal Street Park.

With GR Forward now an approved amendment to the City's Master Plan, DGRI has continued to work diligently in aligning its budgets with plan's recommendations. Examples of such projects in the proposed budget include contributions to the Grand River restoration efforts, infrastructure that can help support events in the Monroe North neighborhood, planning efforts to develop streetscape and river trail design guidelines, updates to the Downtown Census, accessibility improvements, and bicycle infrastructure. The proposed budget also includes neighborhood branding opportunities through a

banner program built in conjunction with the Downtown Development Authority (DDA) and the Monroe North Business Association.

Similar to previous years, in February of 2017, Downtown Grand Rapids Inc. staff began soliciting input from the three Alliances charged with advising DGRI staff on projects and priorities. This 3-month, iterative process culminated in each of the three Alliances tendering recommendations to the three fiduciary Boards of DGRI (DDA, DID, and MNTIFA) regarding their ambitions for the coming fiscal year. This year, the process was also augmented by recommendations that emerged from the DDA TIF and Development Plan update, which resulted in the overlap of the DDA atop of the MNTIFA, enabling the use of DDA tax increment in the Monroe North area which will result in work via the DDA to design Switchback Park in FY18. Citizens participated in identifying and prioritizing 100% of the program and project investments proposed in the FY18 MNTIFA Budget.

Following a recommendation from the MNTIFA Board, DGRI staff will present each of the fiduciary Boards' recommended budgets to the City Commission on June 13, 2017, requesting bottom-line appropriation. After receiving City Commission appropriation, the fiduciary Boards will each adopt their final annual budgets and priority plans, respectively, during their next scheduled meeting(s).

Recommendation: Adopt the FY18 MNTIFA Budget.

DATE: June 5, 2017

TO: Kristopher Larson, President and CEO

Downtown Grand Rapids, Inc.

FROM: Kara L. Wood, Executive Director

SUBJECT: Obsolete Property Rehabilitation Exemption Request for

IA840, LLC at 840 Ottawa Avenue NW

An application for the establishment of an Obsolete Property Rehabilitation District and a 10-year Obsolete Property Rehabilitation Exemption Certificate for the property located at 840 Ottawa Avenue NW (the "Property") has been filed by IA840, LLC, which is an entity affiliated with Integrated Architecture (the "Developer"). The Developer has an option to purchase the Property, which is located in both the Downtown Development Authority and the Monroe North Tax Increment Finance Authority's development areas. According to City Commission policy, staff is seeking the recommendation of both tax increment finance authorities' boards prior to City Commission consideration of the application.

The Developer is a full service architecture firm offering services in sustainable architecture, planning, engineering, and interior and landscape design with offices currently located in the City of Kentwood. The Property currently includes a 13,600 square foot building which was constructed in 1920, as well as approximately 10,000 square feet of parking area. The building was most recently used as a printing facility, but has been largely vacant for the past 10 years.

The plan for redevelopment includes the rehabilitation of the 13,600 square foot building to create office, research, conference and open work spaces. A small addition will be added to the southwest corner of the existing building largely to accommodate accessibility for the building. The parking area will be improved and will include the necessary green space and storm water infrastructure required by City Codes.

The City Assessor has inspected the building and has determined that it meets the definition of "functionally obsolete" as defined by Public Act 146 of 2000 due to inadequate and obsolete heating, plumbing, electrical and mechanical systems, design deficiencies, and windows, doors, roof and interior finishes at the end of the useful economic life. The Assessor's determination qualifies the Property for the establishment of an Obsolete Property Rehabilitation District.

The rehabilitation of the building will facilitate the relocation of Integrated Architecture to the Property, along with 50 full time and two part-time employees. Current wages range from \$15/hr for part-time employees to the equivalent of \$58/hr for management

employees. The average wage for all 52 employees is \$42.39 and benefits are provided for full-time employees. In addition to the existing employees, Integrated Architecture intends to hire 8 new employees over the next two years including architects, designers and administrative roles. Wages for the new positions are estimated to range from \$23/hr to \$46/hr. The estimated investment in the project is slightly over \$2 million, with hard construction costs of approximately \$1.5 million.

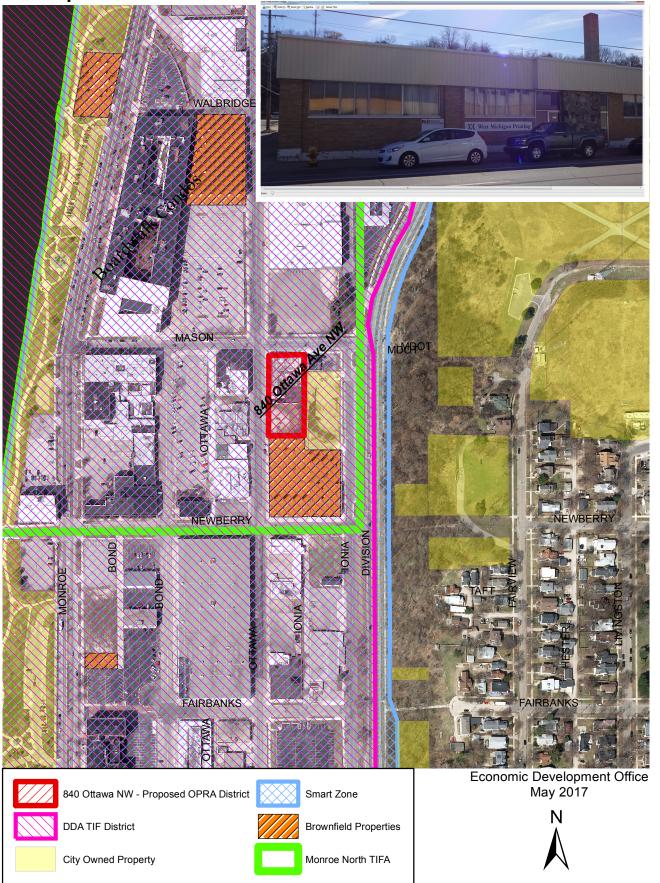

The Property is located in the Monroe North Business Association area, the Neighbors of Belknap Lookout Neighborhood, as well as the tax capture districts of the SmartZonesm Local Development Finance Authority (LDFA), the Monroe North Tax Increment Finance Authority (Monroe North TIFA) and the Downtown Development Authority (DDA). The Developer has plans to review the project with each of these organizations prior to the request being considered by the City Commission, and recommendations from each of the individual tax capture authority boards is required prior to City Commission consideration of the application.

According to their respective enabling legislation, neither TIFAs nor DDAs may capture taxes levied on the Obsolete Property Rehabilitation Act Tax roll; however, LDFAs may capture such taxes. Consequently, the Monroe North TIFA may experience a slight decline in captured assessed value, the Smartzonesm would likely experience a slight increase in total captured assessed value. The DDA expanded to the North Monroe area in 2016, and would therefore experience very little impact on captured assessed values.

The project is permitted in the zone district and is in accordance with the City's Master Plan. There are no environmental concerns at the Property and the applicant is current on all of its tax liabilities to the City. The project is currently being presented to the stakeholder groups listed above, and, if met with approval, would proceed to the City Commission in July.

IA840, LLC Proposed Obsolete Property Rehab District

Neighbors Of Belknap Lookout

May 10, 2017

Dear Ms. Wood and Members of the Economic Development Corporation,

This letter is written in support of the financial incentives requested by Integrated Architecture to renovate and expand the building at 840 Ottawa for their company's offices. The NOBL board and some members of the Development Committee viewed the company's internally developed site plans (dated May 4, 2017) on May 9, 2017. The design featured a restored façade and new two-story entry for barrier free access. We particularly look forward to seeing the curb bump out with street trees and/or other greenery along Ottawa which will be made possible financially by the incentives facilitated by the EDC. In addition, we are hopeful that they will bury the external electrical wires as part of the project, but understand the most likely changes to the project would be to reduce the number of optional features should costs prove higher than expected.

We are excited to welcome Integrated Architecture's employees to the neighborhood.

Sincerely,

Neighbors of Belknap Lookout

700 Clancy Ave NE

June 5, 2017

Jono Klooster City of Grand Rapids Economic Development 300 Monroe Ave NW Grand Rapids, MI 49503

Dear Mr. Klooster,

This letter is sent in support of Integrated Architecture's project to relocate their offices to 840 Ottawa, NW.

The project was introduced to Monroe North Business Association on May 12, 2017 when Scott Vyn, Director of Design with Integrated Architecture, attended our meeting, reviewed project details and renderings, and answered questions from those in attendance. A motion was made, supported, and unanimously approved by a quorum of members.

Monroe North Business Association is pleased to support this project and the anticipated revitalization it will bring to the property and neighborhood.

Sincerely,

Diedre L. Deering

President, Monroe North Business Association
