Speaking on the occasion Mr. Shirish Kulkarni, Director, DSK Motowheels said that, ***"It gives us immense pleasure to enter this highly lucrative and untapped region and to announce the opening of our exclusive showroom for the world class Hyosung products in Dimapur. To put the record straight this is the first ever exclusive super bike showroom in Nagaland which would offer range of Hyosung Superbikes and top class services for bikes aficionados in the city. The reason behind launching the showroom was largely driven by the growing popularity of super biking in Nagaland as well as the increasing demand for aspirational bikes. We have always believed that this region has a lot of potential for the Super Biking segment but unfortunately none of the Super biking companies has tapped this region and opening this new showroom is a reinforcement of our commitment to provide the best services to bike lovers in the North East region."***

Mr. Shivapada Ray ***further added, "We are confident that with our products tradition we would carry forward the tradition and the legacy in Dimapur- Nagaland."***

### **DSK Motowheels**

Established in 2012, DSK Motowheels a part of the Rs. 4000 crore DSK Group forayed into the fast growing automobile sector by entering the niche segment of powerful and aspirational bikes with an association of Hyosung (Part of S&T Motors) in India. Taking forward the rich legacy and dynamic entrepreneurship, Mr. Shirish Kulkarni (Director DSK Motowheels) son of Mr. D. S Kulkarni, heads the operation of DSK Motowheels with a primary objective of providing India with a world class super biking experience at an affordable price.

With a CKD plant in Wai and over 18 dealerships spread across India, DSK Motowheels has entered into a partnership with S&T Motors, South Korea, manufacturers of the Hyosung brand – a brand which has earned a reputation amongst the global superbiking fraternity. Internationally, Hyosung have come to represent a high-end biking experience at a value-for-money proposition. The brand has gained excellent acceptance in the US, South America, UK, Australia as well as many Asian countries. By partnering with S&T Motors, DSK Motowheels is now bringing this global biking experience to India.
