**MUMBAI:** Garware Motors along with Korean giant S&T Motors on Thursday launched the second variant of Hyosung GT 650N, called the GT 650N (Naked). The 650cc sports bike is priced at Rs.4.39 lakh (ex-showroom Delhi) and will be available in three colours – red black and white. It will be sold and serviced exclusively through the Garware Motors' dealership network for premium motorcycles across India.

At racing fitness levels, the GT 650N is touted as an ideal bike for speed. Bookings for these bikes, opened on October 13, will be available across Mumbai, Delhi, Gurgaon, Pune, Bangalore, Ahmedabad, Kolkata, Chennai, Goa, Cochin, Kolhapur, Indore and Chandigarh.

According to Garware Motors Managing Director Diya Garware, "the GT 650N is a global success for Hyosung and we want to give you the best of what we have. We be-

- The GT 650N is touted as an ideal bike for speed
- Sees significant potential for these bikes in India

lieve that today's young and mobile Indian has a strong appetite for stylish bikes, and so, we see significant potential for these bikes in India."

Garware Motors is a wholly-owned subsidiary of Garware Bestretch. Garware Motors has made a foray into the fast growing automobile segment by entering the niche segment of powerful bikes. It entered into a partnership with S&T Motors, South Korea, manufacturers of the Hyosung brand – a brand which has earned a reputation amongst the global biking fraternity. The brand has gained excellent acceptance in the U.S., South America, the U.K., Australia and many Asian countries.
