Hyosung GT650N for Naked :)

Garware Motors has unveiled its third bike from the Hyosung stable – the GT 650N (Naked). Priced at ₹4,39,000 (ex showroom, Delhi), about 300 units are expected to be sold this year. Garware is also gearing up to introduce a 250 ccer in February. The company says it will increase production capacity from eight bikes per day to 30 soon and localise content by 30-40% to help it price the Korean-born bikes competitively
