M&A AWARDED MULTI-YEAR INDEFINITE DELIVERY/INDEFINITE QUANTITY CONTRACT (ID/IQ) WITH U.S. EPA REGION 1 FOR RCRA ENFORCEMENT, PERMITTING AND ASSISTANCE (REPA) SERVICES

From left to right: Mr. James T. Owens (EPA), Ms. Susan Neiheisel (EPA), Mr Arthur N. Mabbett (Mabbett & Associates), and Ms. Cassandra Freeman (EPA)

Mabbett & Associates, Inc. (M&A), Bedford, Massachusetts, Environmental Consultants & Engineers recently signed a multi-year contract with the U.S. Environmental Protection Agency (EPA) to provide technical support services to Region 1 – New England for projects under the Resource Conservation and Recovery Act (RCRA) program. Services anticipated under the contract are expected to support the investigation and restoration of environmentally impaired facilities and to include the technical review of: RCRA Facility Assessments, RCRA Facility Investigations, Corrective Measures Studies, Corrective Measure Design and Implementation, and Human Health and Ecological Risk Assessments.

NEWS RELEASE

For Immediate Release – July 25, 2007

For Additional Information, please contact Paul D. Steinberg at 781-275-6050 x 306.

M&A participated in a contract signing with EPA at its Region 1 offices on May 10, 2007 attended by Mr. James T. Owens, Director of EPA's Office of Site Remediation and Restoration; Ms. Cassandra Freeman, EPA's Deputy Director of Small Disadvantaged Business Utilization; and Ms. Susan Neiheisel, EPA's Contracting Officer.

Mr. Arthur N. Mabbett President of M&A remarked that "The firm is honored to be selected by EPA and to have the opportunity to support EPA. This contract represents a career long goal of M&A to serve New England's environmental community at its highest levels. We believe that our responsiveness, technical capabilities, proven track record, and experienced staff will serve EPA well. We also recognize that our strategic partner Booz Allen Hamilton helped us form a strong team that EPA can depend upon to deliver the quality and timely response needed to advance the goals of its RCRA program."

M&A is a nationally recognized and award winning Service Disabled Veteran Owned Small Business (SDVOSB) that has been providing comprehensive environmental, health and safety services to its clients for 27 years. The firm has performed aggressive outreach during the past two years to expand its services to Federal customers in response to the growing need for SDVOSB contractors to meet Federal contracting goals. A Federal Services Group was launched by the firm in 2006 and allows Federal agencies better access to M&A's depth of services. M&A was also recently awarded a GSA schedule.

The firm currently serves the U.S. Department of Veterans Affairs at multiple facilities in New England and recently served the U.S. Naval Facilities Engineering Command and the U.S. Army Corps of Engineers. M&A was also recently awarded a year-long environmental management services contract with the Massachusetts Air National Guard in support of the 102nd Fighter Wing stationed at Otis Air National Guard Base on Cape Cod.

M&A is an award-winning firm and provides integrated multi-disciplinary consulting and engineering services in waste minimization/pollution prevention, site assessment and restoration, environmental pollution control, environmental compliance, occupational safety and health, and training to industry, commercial enterprise, and public agencies.
