Get Students **ONboard™** for **AP® Human Geography** Success

The perfect summer assignment!

**What is ONboard?**

Often used as a summer assignment, *ONboard* provides Advanced Placement® course preparation, which helps students develop a foundation of background knowledge and skills they can build upon before class begins.

**Designed for maximum flexibility**

*ONboard for AP Human Geography* is a series of interactive online modules that provide a flexible pathway to preparedness. The combination of videos, animations, and interactive elements accommodates a variety of learning styles and keeps students engaged.

*ONboard* modules can be assigned by school districts or teachers or completed independently by motivated students before their courses begin.

**Expert advisory boards**

*ONboard for AP Human Geography* was developed through extensive research conducted by a carefully selected team of AP teachers with experience as AP Test Development Committee Members, AP Institute Leaders, College Board Consultants, AP Question Writers, Table Leaders and Readers.
