

Critical Acclaim for DuMOL's 2021 vintage
Audrey Frick, July 2023

DuMOL

2021 DuMOL Estate Pinot Noir

98

Deep but transparent ruby, the 2021 Pinot Noir DuMOL Estate Vineyard is brooding with pine, pure black cherry, and licorice aromas. Medium to full-bodied, it offers bright acidity, ripe warming spice, and pure fruit, with notes of clove and mossy earth floating underneath. Drink 2025-2045.

2021 MacIntyre Estate Pinot Noir

96

A dark-fruited profile emerges, with black cherry, violets, black tea, and wet stone followed by a full-bodied red with an angular texture and snappy yet refreshingly bitter notes of black tea, ripe red and blue fruit, and turned earth. More muscular in its character, hold this another couple of years and drink 2025-2040.

2021 Charles Heintz Isobel Chardonnay

96

Chardonnay Charles Heintz Vineyard Isobel is flinty and filled with pure fruit, including lime zest, fresh pineapple, and green apple, as well as sea spray. This bright, freshly styled white is medium-bodied, with more apple fruit, white flowers, and delicate baking spices on the finish. Drink 2024-2034. This is a snappy and fresh wine.

2021 Chloe Chardonnay

96

Pouring a bright medium yellow/straw hue, the 2021 Chardonnay Chloe is highly expressive, with a golden perfume of pineapple, orange oil, and a bit of honeysuckle. It has full body and a rounded texture, with ripe apricot, hazelnut, and white flowers. A lush personality to drink over the next ten years, it's a bit more open at this youthful stage.

2021 DuMOL Estate Chardonnay

96

A youthful golden straw hue, the 2021 Chardonnay DuMOL Estate Vineyard is layered with savory aromas of fresh herbs, chamomile, smoky wet stone, and yellow apple. Medium to full-bodied, it reveals a ripe balance of fruit in its notes of preserved citrus, ripe pear, and melon rind, along with a driving mineral texture. Drink 2024-2036.

2021 Eddie's Patch Syrah

94

Saturated purple with a ruby tinge, the 2021 Syrah Eddie's Patch is lifted with cracked black pepper, fresh violets, blackberry, and a hint of wet asphalt. This full-bodied red has ripe, fleshy, mouth-coating fruit, with black raspberry preserve, ripe tannins, and a velvety texture. It's long on the palate and has a rounded feel, with an underlying structure and earthy notes of tea leaves. Drink 2025-2040.
