

# CRAZY MARY

Mourvèdre | Red Mountain | 2017

The winter of 2014/15 was extremely difficult and caused significant damage throughout many of the vineyards in eastern Washington. One of the casualties of this extreme weather was our block of mourvedre at Ciel du Cheval. The vine damage was so severe that we had to stop producing mourvedre as a varietal wine while the vines recovered. Finally in 2017 the recovery was complete. Mourvedre is a varietal that we all love to work with. Its aromatic profile is similar to syrah but it contains additional elements that make the resulting wine truly unique. Mourvedre prefers the deep sandy soils offered by Ciel du Cheval. Unlike syrah, which we tend to harvest early in the growing season, mourvedre is a later ripening varietal and is often one of the last lots we pick. To protect the unique aromatic and textural profile of the wine we use thick staved 228 liter barrels for aging. The fruit was hand harvested between September 21st and October 18th 2017. The wine was fermented in 1.5 and 2 ton open top fermentors for 9-12 days. Great care is taken in the cellar to handle the must gently; it is never pumped and is gently punched down twice a day. The wine is lightly pressed to barrel where it finishes primary and malolactic fermentation. Aged for 18 months in 50% new 228 liter thick staved French oak barrels, the wine was racked twice and left unfined prior to bottling.

## (93-95) points Jeb Dunnuck

"From the Ciel du Cheval and Angela's Vineyard on Red Mountain, the 2017 Crazy Mary Mourvèdre was brought up in 50% new Burgundy barrels. It has lots of bloody blueberry, ground pepper, and leafy herbs notes as well as a kiss of tobacco in a deep, rounded, sexy style. It's going to be one seriously good wine."
