

## MEMENTO MORI

### 2018 MEMENTO MORI SAUVIGNON BLANC

Light straw in the glass, this is an expressive Sauvignon Blanc that harnesses the perfect combination of graceful precision and elegant finesse. Vibrant notes of grapefruit, Mandarin orange, wet stone, gardenias, yellow apple skin and hints of salinity bound out of the glass, transitioning to an unctuously seductive palate of stone fruits, guava and white peach that overwhelm the senses with delight. Aged in 50% new French oak for 11 months, there is considerable depth through the mid-palate, with a backbone of keen acidity framing an absolutely scintillating finish.
