

## MEMENTO MORI

### 2019 MEMENTO MORI SAUVIGNON BLANC

Light straw in the glass, this is a vibrant Sauvignon Blanc full of sophisticated elegance and polished precision. Expressive aromas of yellow peach, grapefruit pith, Meyer lemon custard, wet rocks, white flowers and spiced vanilla and hints of brioche escape the glass with grace, while a palate full of ripe citrus, honeyed white peach, lime blossoms, pink grapefruit and Mandarin-laced minerals reveal a compelling satiny texture with intense flavors and loads of layers that finish clean and focused. Aged in 50% new French oak for 11 months, this is set on a succulent frame that gives way to fantastically detailed balance with fruity tension, stamina and energetic length.
