You're invited to a private showing of the New 2010 Camaro May 6th @ 7pm

**Remember Fast Cars, Admiring Glances and
Rumbling Thunder from Twin Pipes?**

If Yes:

Your pulse will move a little faster and your imagination will place you behind the wheel waiting for the light to change, when you first cast your eyes upon the Totally New Camaro by Chevrolet. You'll find that it is worthy in every way to bear that name. In fact, you may just want to take one home—for old time's sake. RSVP Now!

If No:

Time to put all that you know of today's cars and the questionable driving experience they deliver, behind you. Step into the future, through the past. The unmistakable heritage of the Totally New Camaro by Chevrolet is remarkable in every way. Styled unlike any other vehicle, it sets a new tone for 'automotive attitude' and the throaty rumble from the powerplant beneath its hood will tell you at once that you simply have to take a it for a drive... to somewhere.

Come in on May 6th to see this triumph of styling and innovation. We are going to have the 2010 Camaro, the 2009 Corvette ZR1, and older generation Camaro's on display. Perfection is no longer an un-attainable dream. RSVP with a click of your mouse.

It's time to make a new, lasting friendship!
