

2018 Face to Face Signature Page

Name of the Community _____

Email Address _____ **Website** _____

This page indicates the intent of the Local Community to offer **Face to Face** in this covenant year. The Community Chairperson signs below to affirm this.

If this is the first year offering Face to Face in the Local Community, only the Community Chairperson and two additional signatures are required: the two board members serving on the steering committee.

Once Face to Face is established in the Local Community, the first two signature lines are for the Face to Face Community Lay Director and Face to Face Community Clergy Director. The three additional signatures required are the Face to Face operating chairpersons for Agape, Fourth Day, and Team Selection.

The Local Community agrees to report Face to Face event dates and attendance to The Upper Room. The Local Community further agrees to pay a fee of US\$13.00 per each Pilgrim to The Upper Room for use of Face to Face.
